Terrace Bay Fire Dept. Report

"No fires for September"

by Deputy Fire Chief, Rolly MoQuin

The Terrace Bay Fire Dept., is pleased to inform the public that there has been no fires during the month of September.

The Terrace Bay Fire Dept., held its regular drill for September. A successful foam demonstration was conducted by Mr. Hugh Baxter, Sales representative and Mr. Rick Hanson, Regional Branch Manager of Levitt-Safety Ltd. Also in attendance was Mr.

Gene Ross, Deputy Fire Chief of the Schreiber Fire Department.

The Terrace Bay Fire Dept. is also pleased with the number of brick chimneys going up this fall, as opposed to the metal type. As the cold weather is slowly coming upon us, more and more people are starting to light their wood stoves. This is a reminder to start cleaning your chimney again on a regular basis.

As Fire Prevention week is near, make every week Fire Prevention Week.
