

# Terrace Bay Council...

continued from page 1

the District submitted its budget and apportionment for the year of 1984 for the total amount of \$675. Council agrees with this amount.

### New Business

A motion was made to send three firemen to a seminar on arson, which will be held in Thunder Bay on November 1, 2 and 3.

After much discussion by Council, a date for the dedication of the municipal office (re: W.J. Hanley Building) has been set for November 19th (Saturday). Advertisements, guest lists, and an agenda will be drawn up for this special event.

Council approved a donation in the amount of \$100 which will be going to the L.S.H.S. Student Council to express Council's thanks for their contribution to the mock disaster.

It was announced that there would be a meeting with the Ministry of Northern Affairs and Council, regarding an Economic Development programme.

### Motions

Clerk Co-ordinator Larry Simons requested from Council that they consider appointing him as a designated zoning by-law enforcement officer. After considerable discussion, Council decided to look into this matter at greater length and will announce their decision shortly.

A motion was made to approve the SEIU contract for 1982-83 regarding temporary and relief workers.

### Committee Reports

*From Councillor Chapman - Recreation:*

On behalf of the Recreation Committee, Terry Bryson spoke to Council on the sudden malfunction of Compressor #2. The compressor ceased operation on Sunday, Oct. 23rd and is expected to be down for a period of two weeks; a week for repairs to the crank, plus an extra week to re-establish the skating rink ice. It is the intent of the Recreation Department to maintain the curling rink ice and to allow the skating rink to go. The cost of repairs will vary between \$5,000

and \$10,000, depending on whether or not the crank can be cleaned and ground down or if it has to be replaced all together.

Councillor Chapman commented on the recent Recreation Northwest Conference and stated that it was a very successful venture with over 300 being registered for the event.

She also brought to Council's attention the fact that certain political propaganda which is being delivered door-to-door has been carrying the township crest. Reeve Speer said that he

would look into this matter immediately and rectify the problem.

### Police

George Ramsey stated that the monthly was to be held on the 25th of October.

He also talked about the meeting concerning Family Violence which was held in Marathon. "We are a nucleus of a committee who will be meeting with ComSoc regularly to make decisions on funding for the venture," stated Ramsey.

### Public Works

*From Joe Kennedy*

The rest of the winter salt is in and all ready to go.

He received numerous complaints about

the lamp being knocked down and not functioning at the corner of the highway and Lakeview Street. He mentioned that it can possibly be welded and the Clerk will look into replacing it with a new base.

*From Reeve Speer:*

He related that the new flag is now on display and is flying for Terrace Bay residents.

*From Larry Simons:*

After checking into Council's request for Christmas decorations, it was decided that existing decorations would be hung in the appropriate manner with coloured lights being strung from the township office

all the way along the plaza, and the 'coach-lamp' decorations would be hung again. The cost for this project would run the town in the vicinity of \$2,000 but Council felt that this was necessary in order to bring Christmas into the

town. A motion was made for the expenditure of this amount to be spent on Christmas decorating.

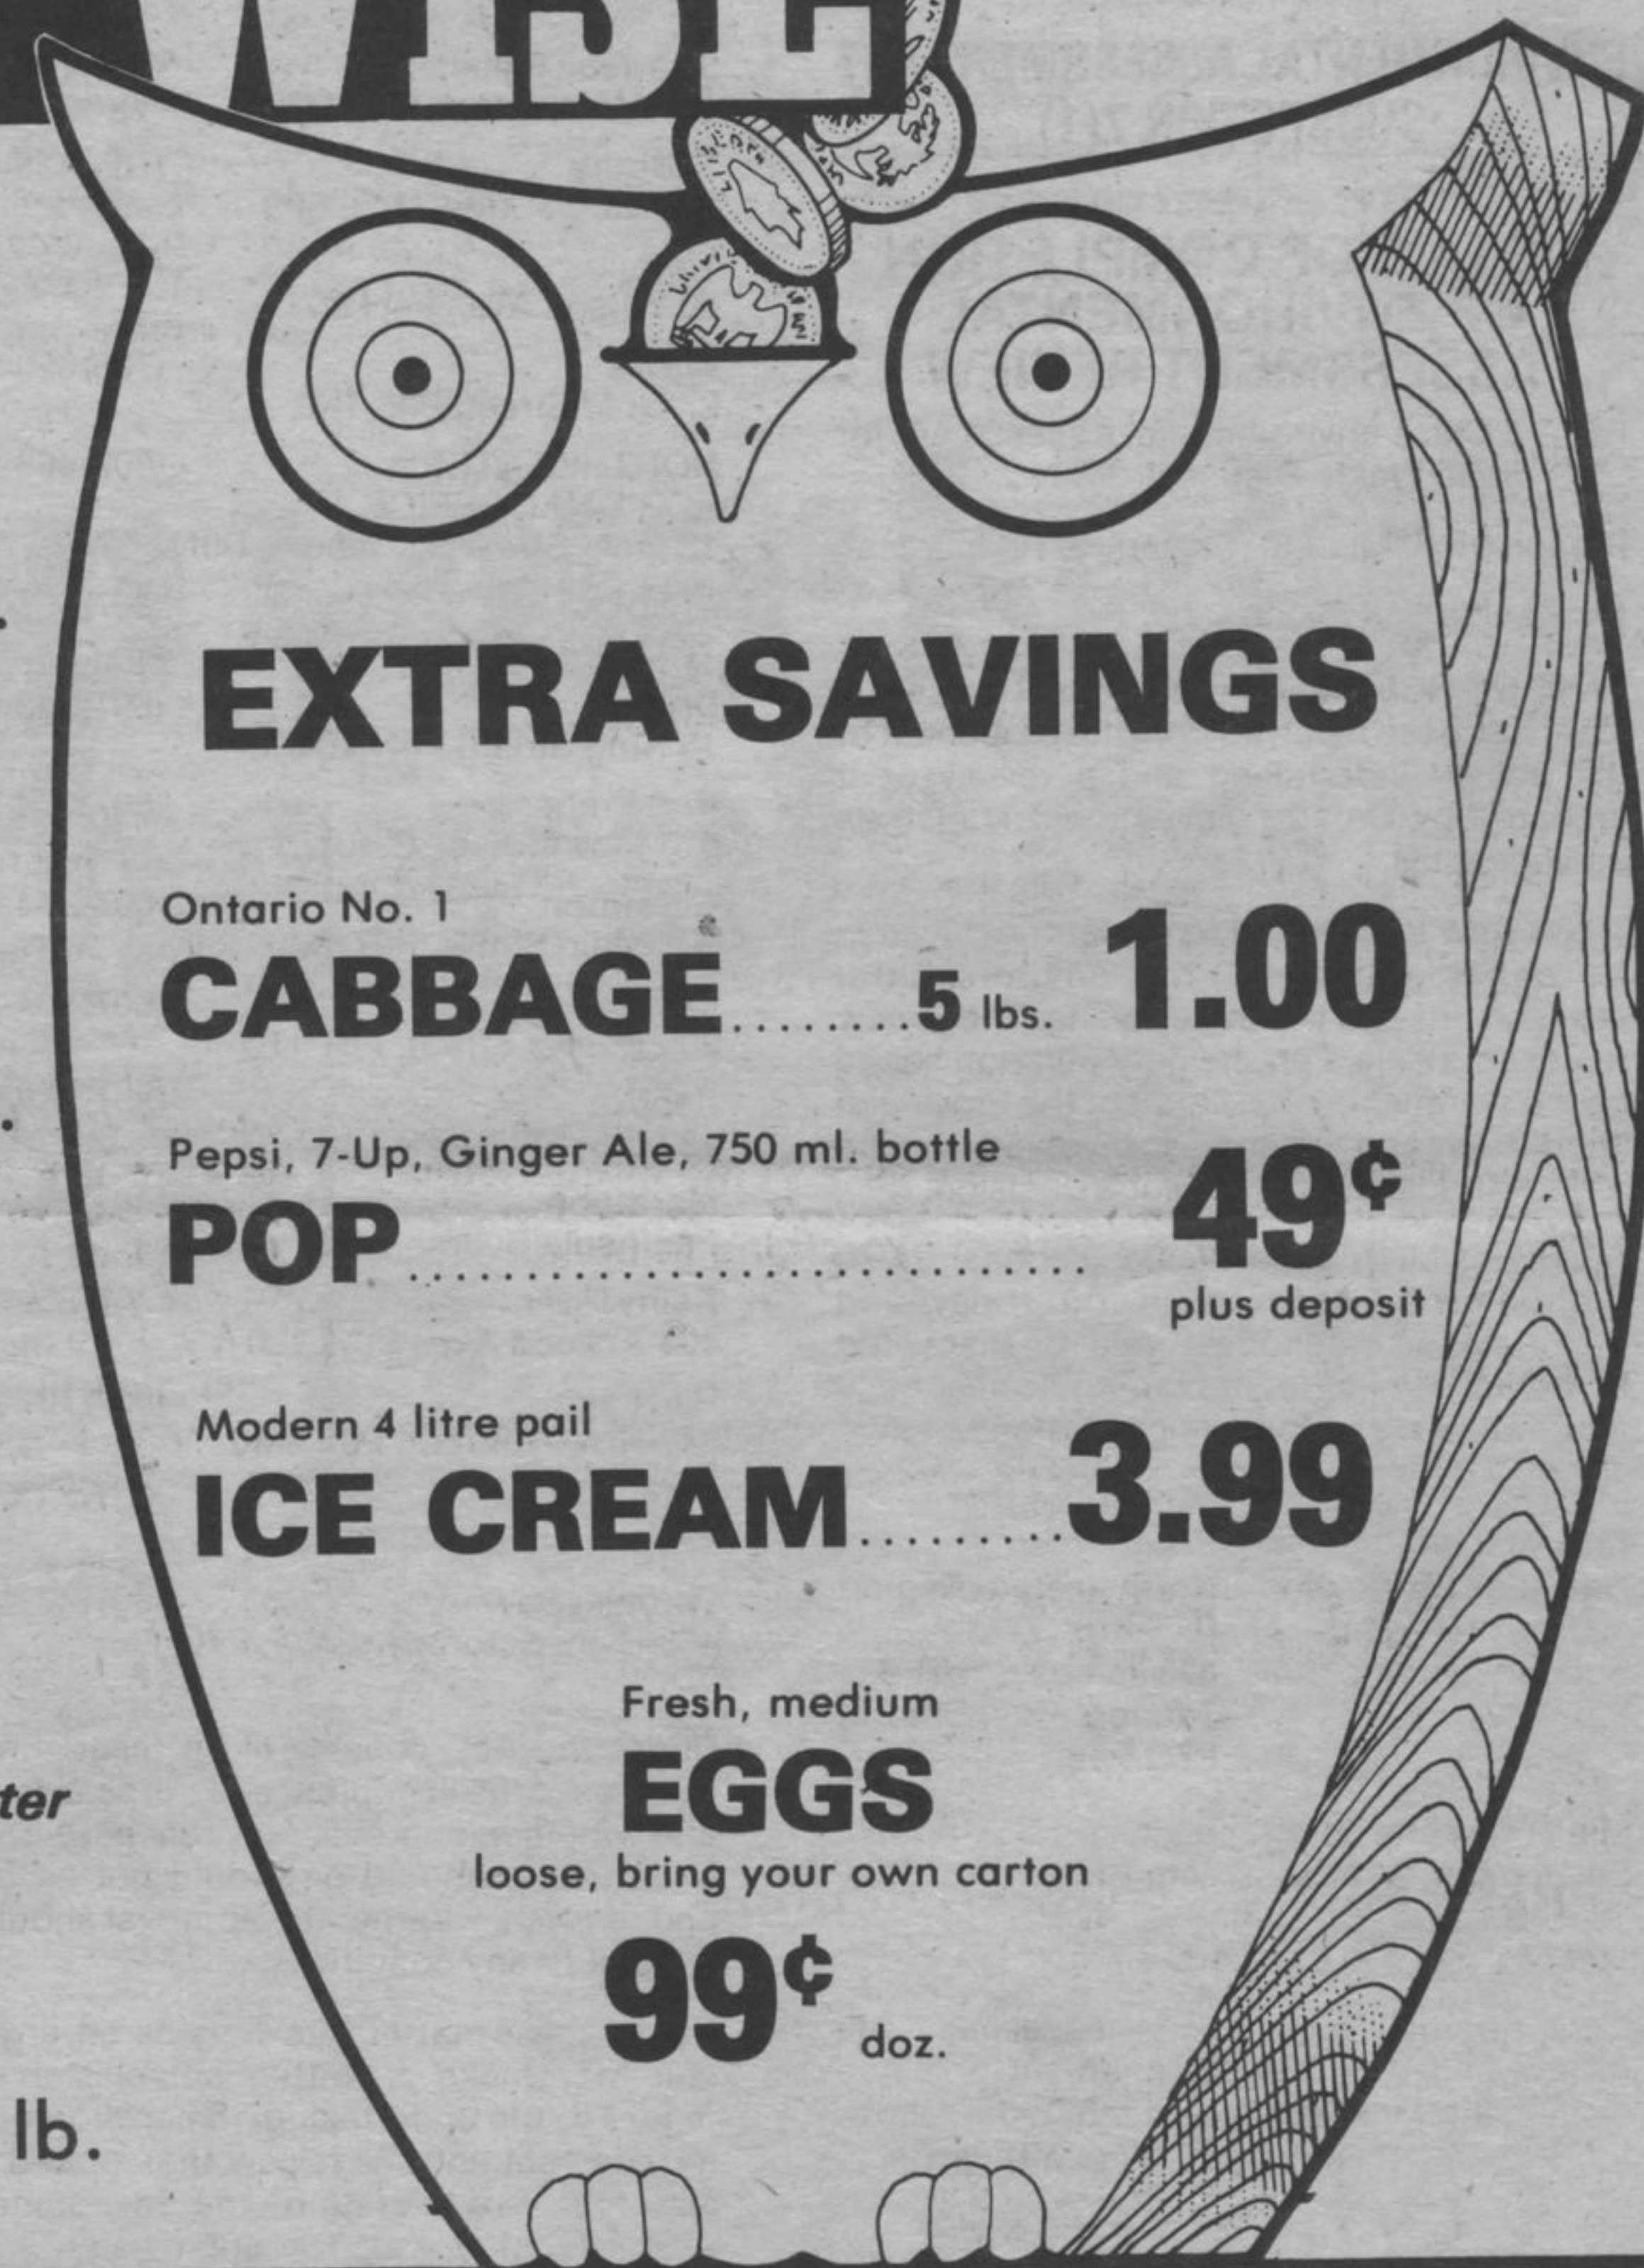

The meeting was adjourned at 8:30 p.m. and Council went into the "Committee of the Whole."

### Terrace Bay Barber Shop will be open

Nov. 3-4: 9 a.m. to 12 noon  
1:30 p.m. to 6 p.m.  
Nov. 5 to 11: 6:30 p.m. to 8:30 p.m.
