Fit Five Update

Congratulations to the following successful Fit Fivers:
 Pat Burton - level one
 Margaret Smith - level one
 Rosann Pellegrino - level three
 Saima Willoughby - level four

These individuals are part of a large group of local residents participating in the Fitness Ontario Fit Five program. A great way of maintaining personal fitness.

Piano - Music Lessons

Attention Parents! The Recreation Department would like to offer Piano - Music Lessons for children ages 6 to 14

years. The program would be of interest to both beginner and advanced student, available at both private and individual sessions. Should you be interested in enrolling your son/daughter please contact the Recreation Office at 824-2317.

Art from the Oven

The Recreation Department in conjunction with Confederation College is offering an "Art from the Oven" course (bread dough) on November 18 and 19, 1983. There are still a few openings available. If interested please contact the Recreation Office.

Work Processing Course

The Recreation Department is making plans to offer a Work Processing Course. This course would be held at the Recreation Complex one evening per week for 10 to 12 weeks. If interested please contact the Recreation Office. Note that addi-

tional details will soon be made available.

Computer Course

The Recreation Department is making plans to offer a Computer Course. This course will provide participants with knowledge of home computers products plus "hands-on" programming experience. The course would be held at the Recreation Complex one evening per week for 10 to 12 weeks. If interested please contact the Recreation Office. Note that additional details will soon be made available.

Microwave Cooking Course

Schreiber Parks and Recreation and Confederation College would like to offer a Microwave Cooking Course in January of 1984. If interested please contact the Recreation Office and leave your name and phone number. A minimum of 10 participants is required for all courses.

Career Week '83 - Focus on You

Ontario schools are once again gearing up for Career Week '83 which will run from November 7th to the 13th. This annual educational event is designed to help students to become better prepared for their future in the working world.

It is sponsored by the Secretariat for Social Development's Youth Secretariat and through them, Career Week resource kits are provided to all Ontario schools.

Not only students, but parents alike are challenged to take stock of their unique aptitudes,

interests and skills in order for them to select possible career areas where they will have the greatest chance of reaching their potential. It is hoped that the community will also get involved in Career Week by visiting with the schools in their local areas and finding out what they are promoting.

For more information on this special event, please get in touch with your school. It could be a very rewarding experience for you or your child.

Schreiber Council...

continued from page 8

an operating agreement, and the estimated yearly cost to operate the plant. The signing of the agreement was to be subject to Council approval.

It was noted that the Schreiber Diving Club has completed a clean up of the underwater area near the new dam. The Clerk will be writing to the Club on behalf of Council to express their appreciation to the Club.

Motions were made to allow L. Davis from the Engineering Staff to attend the N.W.O. Ontario Water and Waste Conference to be held in Thunder Bay on October 20th.

The Clerk briefed Council on recent events concerning the determination of the amount of capital debt outstanding to the Ministry of the Environment for the construction of the sewage treatment plant. It has been confirmed by the M.O.E. that their method of amortizing the capital debt of the plant leaves the township in a position whereby \$359,000 plus a deficit of \$31,444 created as a result of a repayment schedule that did not allow sufficiently for drastically increased cost due to inflation exists, even though the Ministry's rate schedules were strictly adhered to. Additional info as to total operating cost, interest charges, and capital debt retirement, since the operation of the Schreiber treatment plant commenced have also been requested from the Ministry. The information will include details pertinent to the refinancing of the capital debt and deficit on the basis of a 5-10 and 15 year repayment plan. This matter has also been brought to the attention of Minister of Northern Affairs Leo Bernier.

Roads Committee

The grader is still undergoing major repairs but is expected to be returned shortly.

The winter sand is suitable for the upcoming season.

The new 5 ton truck is to be delivered by December.

A motion was passed that the township of Schreiber request the M.T.C. to sell the township three metric tonnes of Cold Mix. The township agrees to pick-up the material at the Rosspatrol Yard and will be liable for the costs.

Building Committee

P. Doig reported on the Building Official Conference in Timmins, stating that it was a

good conference.

Recreation Committee

The resignation of K. Trodd was accepted by Council. The position will be advertised in the local newspaper.

Kevin Duguay will be attending the Recreation Northwest Conference to be held in Thunder Bay and the Rec Committee will be sent to participate in the Con College programme which is designed to train recreation coordinators.

Police

There will be some delay in delivering the radar unit from the supplier, due to the backlog of orders.

Fire Department

The Clerk was requested to check into the possibility of a saving on premium at the arena due to the fact that an automatic alarm system has been installed and is in operation.

Reeve Fischer reported on the progress made regarding funding for the purchase of a piece of heavy duty extraction equipment for use by the Fire Dept.

Communications

A letter was received from the Library Board stating that N. McGuire has been appointed by the Board to act as representative to the Library Study Committee.

In response for volunteers from the township at large, to act as ratepayers representative to the Library Board, the following names were received: L. Huard, P. McKeever and J. Johnson. P. McKeever was appointed to the Board as the ratepayers rep.

Councillor Borutski is to attend the meeting in Marathon concerning family violence.

Motions were passed to pay the following accounts: *General Accounts* - \$20,212.92 and *Water Works accounts* - \$7,033.50.

Unfinished Business

Council dealt with the matter of the enactment of a by-law to close up and sell a portion of Manitoba Street, to allow for the exchange of land with Mrs. G. Smith. The closed up portion to be exchanged for a portion of lot 13, Manitoba Street, that is now partly used by the township for a road. There being no one present to object or make representation as to the closing, it was resolved that By-Law #749, being a by-law to close up this portion of street, be given 1st, 2nd and 3rd reading.

The Clerk was instructed to contact the

Keep your kids in their place.

It's always been a good idea. Now it's the law. On Nov. 1, 1983 toddlers come under the law which requires everyone from newborns to senior citizens to be properly restrained when travelling in a car.

For children this means:

- Infants, up to 9 kilograms (20 pounds) must be properly secured in a rear-facing car seat;
- Toddlers, 9-18 kilograms (20 to 40 pounds), must be in a front-facing car seat in their parents' or guardian's car; otherwise they must be secured by a lap belt;
- Preschoolers, 18-23 kilograms (40 to 50 pounds), must be secured by a lap belt.
- Older children must use the full seat belt assembly.

Buckle them in.
