## Schreiber Council...

continued from page 9  
township solicitor, regarding the possibility of regulating the sounding of train whistles at the west end crossing of Main Street.

Following discussion on the timely development of the R-270 and R-271 area, the clerk was instructed to make a proposal to Figliomeni Bros. concerning the development of the east side of Cooks

Lake Creek, and to request a meeting in that regard. The proposal to embody conditions set down by Council and the meeting to be held before Nov. 25th.

Council reviewed a request of the Rec Committee concerning reimbursement to M. Godin for the cost of an accounting course with Con College. Council was in agreement with this request.

## Training Program . . .

continued from page 10  
Kimberly-Clark's employees.

Marilyn is also making sure that all the trainees are given the legal aspects of a 'first aider' and stated that they will all be given a copy of the legal rulings of such, upon completing the course. The

main idea of these rulings is that a first aider is responsible to his patient and that he/she do the best to their abilities.

It is the hope of the mill and the community that this type of prevention programme will become a permanent part of the work place.

## Terrace Bay Minor Hockey News

The hockey season is (was) underway again for another year. Ninety-eight boys and girls are registered.

The breakdown is 36 Mites, 19 Atoms, 20 PeeWees, 12 Bantams, and 13 Midgets.

Three invitational tournaments are planned for the year with the first one being held on Sat. November 12th for the Mites (5-7 year olds). These little Gretskys and Lafleurs of the future should provide plenty of action and excitement.

Ice willing, the Terrace Bay Oldtimers will be putting on a skills clinic for all Minor Hockey players this coming weekend. The TBMHA is grateful for this contribution by the Oldtimer organization.

North Shore action begins this month, with our Atoms hosting Marathon, Schreiber, and Manitowadge on November 19th and 20th. One game has been played to date and that was on Sunday, October 23rd, when the Bantams and Midgets from Schreiber and Terrace Bay were combined and mixed for the first House League game of the year. Following a closely contested game, both fans and players agreed that it had been

"great." The players from all divisions are anxiously awaiting the next games.

Our last comment is of special interest for parents and coaches. Dave Fitzpatrick from Hockey Ontario will present an **Information Session tonight at 7:00 p.m.** in the multi-purpose room in the Rec. Centre. Parents, coaches and members of the Oldtimers are all urged to attend.
