

# Halloween scarred by vandals

by: Pauline Ziegler

Lake Superior High School was the main target for vandalism this Halloween in Terrace Bay. A garbage shed, located about 25 feet from the rear of the school, was destroyed by fire between 12 midnight and 1:00 a.m. on Tuesday morning. Phil Folz was on shift at the time and is continuing the investigation. In addition to the fire, a few more traditional pranks occurred - soaped windows, graffiti, a broken window and some thrown eggs.
