

Terrace Bay - Remembrance Day Services

Parade Marshal Stan Greenwood Jr. leads the Remembrance Day Parade from Recreation Centre to the Cenotaph.

Don Pawlett and a member of the Beavers of Terrace Bay were among the many to lay wreaths at the Cenotaph.

Kimberly-Clark recognizes Long Time Employees

At the Kimberly-Clark Quarter Century Club annual banquet and dance on October 15th, 35 Woodlands employees were inducted.

The Grace by Mr. William Chapman (40 years service) and the Toast to the Queen by Mr. Malcolm McEachern preceded an excellent and beautifully decorated buffet dinner.

Mr. Walter Groman, President and General Manager, and Mr. Don Penna, Vice-President and Woodlands Manager, presented gold watches and pins to the new members: Mrs. Groman and Mrs. Penna presented silver lockets to the inductees' wives. Pins recognizing 30, 35 and 40 years service were received by seven employees.

Currently 151 of the total 191 members are actively employed in the Woodlands.

The party was joined by 100 other Quarter Century Club members and guests who enjoyed the music hall style entertainment of the "Pearly Queen" and Ken Stanley, followed by dancing to Partie Sound and a midnight buffet.

Recipients were:

25 years service:

William Chapman.

H O M E O W N E R S

HOLD YOUR BREATH AND READ THIS.

If your chimney is defective, your house may be feeling just like you do right now. Because heating systems take in oxygen and release carbon dioxide. Just like you do.

But when a furnace can't get enough oxygen, or carbon dioxide can't escape, your house can't "breathe." Carbon monoxide can be created and that is a dangerous situation for you and your family.

A clean and clear chimney is necessary to vent your furnace properly.

Here are some warning signs of chimney deterioration:

- loose mortar and bricks
- white powder or water stains on chimney above roof
- water stains at the chimney's clean-out door.

YOU MAY NEED A CHIMNEY LINER TO PREVENT EROSION OF THE MASONRY.

For your safety, and for your peace of mind, have your heating system and chimney inspected and cleaned annually by a qualified contractor. You and your house will both breathe a sigh of relief.
