

New Accountant for Lake Superior Board of Education

As of mid-September, the Lake Superior Board of Education has been under the control, financially, by a new accountant, Garry Collier. Collier replaced the former accountant Bruce Rousseau who currently held the position previous to his coming.

Garry hails from the Ottawa area, where he lived and worked for the past 18 years. His last position was held with

the Carleton Roman Catholic School Board.

When asked what brought him this far north, Garry replied that it was mainly the job opportunity, where he could gain experience working with a variety of schools in different areas in the north and also because of the friendliness of the people and the beauty of the good old North Shore.

When he's not busy

with the books, the facts and the figures, Garry has several hobbies that he likes to donate some time to; those being curling, which he takes part in, both in Schreiber and Terrace Bay; photography for which there is much area to

cover in these parts of the country; cross-country skiing (yes Garry, it finally snowed); and he certainly intends to get a great deal of fishing done while he's here.

When asked what he thought about the two towns, he stated that he thought Terrace Bay was indeed a beauty spot along the North Shore and is pleasingly well-laid out. Living in Schreiber however, has brought him closer to the residents there, and he says that he finds them to be extremely friendly and open.

Welcome Garry and Good Luck on the new job!

Garry Collier - the new accountant for the Lake Superior Board of Education.

IN MEMORIAM

WILLIAMSON - In loving memory of a dear wife and mother, Ilene Williamson, who passed away November 19, 1982.

In tears we saw you sinking,
We watched you fade away,
You suffered much in silence,
Fought so hard to stay.

You faced your task with courage,
But still you kept on fighting,
Until the very end.

God saw you getting tired,
When a cure was not to be,
So He put His arms around you,
And whispered to come with me.

So when we saw you sleeping,
So peacefully, free from pain,
We could not wish you back,
To suffer that again.

It's now one year since you left us,
But still we feel the pain,
Our lives will never be complete,
Until we meet again.

Sadly missed and in our thoughts each day,
Ken, Gary, Helen, Bruce, Gordie,
Linda, Kathy and Darryl.

Lysnes new Chairman for MAC

Sterling Lysnes - Chairman of the Municipal Advisory Committee.

tee - Northwestern Ontario (MAC). Lysnes, who is serving the post following the death of former Chairman Margaret Sideen in August.

"The Municipal Advisory Committee is fortunate to have a dedicated worker like Sterling Lysnes to take over the reins after the loss of Margaret Sideen", said Bernier. "I look forward to working with Sterling on regional issues over the months ahead."

Lysnes is the former Vice Chairman of MAC - an advisory body of elected municipal officials

which makes recommendations for Ontario government policies and programmes through the Minister of Northern Affairs.

Lysnes has been a member of MAC for five years and was elected with the late Mrs. Sideen in May to lead the organization for the next three years. He is the proprietor of Sterling Machine Works in the Westfort Ward of Thunder Bay where he lives with his wife Irene. He is the father of two children and recently became a grandfather.

Lysnes says economic development in Northwestern communities will be his priority, but he emphasizes that the committee will also be conveying municipal concerns about health, social services, recreation and other matters affecting northerners to the Minister of Northern Affairs.

Gordon Meyers, the Reeve of Emo, will join Lysnes on the MAC Executive as Vice Chairman. He was elected unanimously in the organization's September meeting.
