

Mail Service has improved

Michael Warren in a letter released to the Canada Post Corporation employees said that Canada Post has achieved 92 per cent 'on time' 1st class mail delivery performance during October - up 13 points since 1981. This he said is the highest service performance in over a decade, confirmed by independent tests con-

ducted by hundreds of our customers.

In his letter, Mr. Warren praised the performance of Canada Post employees. He said their work is being recognized by Canadians across Canada, and that a recent Decima Public Opinion Survey shows that 68 per cent of Canadians now rate their mail

service as "good" to "very good". That's up from 51 per cent in 1981.

Local 'on time' performance for delivery of first class mail in the Mid-West Division exceeded the national performance level. Next day delivery within urban centres was 97.9 per cent in Winnipeg; 96.2 per cent in Saskatoon; 99.2 per cent in Regina

and 98.8 per cent in Thunder Bay. The division average performance during October reached 98 per cent.

Canada Post Corporation's current Service Performance Standards are 2 days for delivery of first class mail between urban centres across Canada and next day delivery within urban centres.

Kimberly-Clark hosts Fun Spiel

The Technical Department of Kimberly-Clark in Terrace Bay recently completed 35 years without a lost time injury. This is an incredible record and one to be proud of and to be maintained.

The Technical Dept. consists of two sections: The Technical Sources Department consisting of Main Lab personnel, Pulp Inspectors and Pulp testers and the Process Engineering Department consisting of Process, Environmental and Energy personnel.

This milestone in safety was celebrated Saturday, November 12th at the Terrace Bay Curling Club with a Fun Spiel, Dinner and Dance. The evening's festivities began with a cocktail hour followed by a delicious dinner catered to by Mrs. Faye Figliomeni and her ladies. This was followed by the fun spiel at 8:30 p.m.

Mr. Stan Cano was M.C. for the evening

and was introduced by Mr. Bill Love, Safety Coordinator. Mr. Cano welcomed all the guests and then introduced Mr. Walter Groman, President and General Manager. Mr. Groman extended Kimberly-Clark's appreciation and congratulations for this achievement. He paid tribute to three long time employees of the Technical Department: Mr. Hugh Brophy, Mr. Rudy Gerlack and Mr. Henry Hermes. Mr. Groman noted that this record is a major achievement and dates back to the original Mill startup in 1948. Mr. Cano then introduced the following guests: Mr. Scott Chalmers - Vice-President of Manufacturing and Technical Services; Mr. Dave Fikis - Technical Director; Mr. Al Chisholm - Director of Industrial Relations; Mr. Gerry Withers - Manager of Employee Services. Mr. Cano then thanked Terry Hay who organized the event for

the Technical Department. He also thanked Mrs. Figliomeni and her ladies for the delicious dinner.

The Fun Spiel was then begun and following several good shots and first class sweeping, the following winners were declared: **1st Prize:** The Malcolm Halls rink with Nancy McAllum, Dave Bedard and Andy Waite. They were presented with Gift Certificates from Costa's in Terrace Bay by Mr. Scott Chalmers. **2nd Prize:** The Scott Chalmers rink with Jenny Dorman, Bob Weaver and Stuart Almost. They were presented with Gift Certificates from Moores in Terrace Bay.

Door prizes were won by the following people: Mrs. Jean Daley, Mrs. Janet McKenzie and Messrs. Henry Hermes, Terry Sidock, Carl Goodwin, Larry Lalonde and Terry Hay.

The evening was completed with dancing to the music of Pat Tees.

Integration of Community Development Programme

At a recent meeting of the Board of Directors of the North of Superior Community Mental Health Programme Corporation, John Evans, President of the Board,

announced that the negotiations with the Ministry of Community and Social Services had been completed and as requested by the Ministry, the Community Development Programme would be integrated with the Mental Health Programme on November 1st, 1983.

The Community Mental Health Programme has developed clinical services through six local offices in the district over the past year under the guidance of the Clinical Director, Dr. T.J. Turner. Mental health assessment and treatment are offered to children and adults ranging across a wide variety of problems from brief reactions to difficult situations to major psychiatric illness.

Early in the year, the Ministry of Community and Social Services requested that the Mental Health Programme assume sponsorship of the Community Development Programme. The Mental Health Board

appointed a task group to review possible organizational models and to propose a detailed plan to the Ministry. It was felt that the best approach to sponsorship was a total integration, the Mental Health Programme will continue its direct service role and the Community Development Programme will continue to develop programmes that are designed to prevent the buildup of stress and provide resources to groups and individuals to cope with the stress they do experience. No significant changes in roles of the workers of either programmes are anticipated.

Both Programmes are innovative and unique in the province. It is hoped that the melding of the two Programmes will provide the opportunity to develop a comprehensive approach to the mental health needs of the district and the enhancement of more cost-effective services.
