## Property Owners and Tenants in the Lake Superior Board of Education

# Your Municipality is Being Reassessed

### Your New Assessment

In response to a request from your municipal council, all properties will be reassessed under the Section 63 Program.

The Section 63 Reassessment Program is designed to equalize assessments within property classes, based on 1980 market value.

### Mailing of Assessment Notices

1983 Assessment Notices will be mailed to all property owners and tenants.

The assessed value shown on your Notice will be used for the calculation of your 1984 municipal and school taxes.

A full explanation of the Section 63 Reassessment Program, appeal procedures and a timetable for Open Houses in your area can be found in the Information Insert which accompanies your new Assessment Notice.

### Open House Sessions Will Answer Questions

Open House sessions have been planned at convenient times and locations in your municipality to afford you the opportunity to review your assessment with staff of the Regional Assessment Office.

Assessment staff will be pleased to explain the basis of your property assessment and are authorized to amend all data (school support, assessment, etc.) on your Notice.

You are encouraged to take advantage of this service.

### Rolls Available For Review

The Assessment Roll will be available for review at your local municipal office during regular business hours, beginning February 15th, 1984.

### If You Wish To Appeal

If you believe you have been improperly assessed in any way, you may file a formal complaint with the Assessment Review Board. The final date for filing an appeal is March 7th, 1984.

Information on appeal procedures is provided on the back of your Assessment Notice and in the Information Insert.
