## " Superior West " dazzles local volleyball players

by LYNNE BADGER Superior West of Thunder Bay did not lose a game in their quest for the prize money at the Schreiber Goon Platoon Volleyball Tournament held on February 4 and 5 at Lake Superior High School in Schreiber. Scores of 15-0 and 15-2 were common when the other teams in the tournament faced their lightning spikes and the wall formed by the hands of the Superior West blockers which stopped most spikes from the other side. Confederation College of Thunder Bay managed to score 13 points against them and the local Schreiber Goon Platoon reached 12 points before suffering defeat. After Saturday's 6 team round robin,

Superior West was firmly in possession of the first playoff spot. The Terrace Bay Selects played excellent volleyball to capture second place and Confederation College and the Goon Platoon played valiantly against Superior West in the first Semi-final but lost 15-3 and 15-12. The other semi-final between Confederation College and Terrace Bay Selects provided the most exciting games of the entire tournament. Confederation advanced to the final with a best of three record of 15-10, 12-15 and 15-13. The best of three final was over quickly with Superior West defeating Confederation College 15-5 and 15-1. The winners were presented with 1984 Olympic volleyball pins.

The tournament ran smoothly and provided some exciting volleyball for players and spectators alike thanks to the Goon Platoon team who organized it, the officials, the Ladies Auxiliary to the Schreiber Guides and Brownies for providing refreshments, Kevin Duguay, the Schreiber Recreation Committee, Betty Tate, Bill Houston and Kerry Powell whose willing co-operation was greatly appreciated. The tournament itself was a great success, however due to the weather the fundraising dance was not well attended and the Goon Platoon would appreciate your support as they try to recoup their losses.

Other News

The TBMHA honoured last year's Pee Wee North Shore champions by presenting the team with crests to signify their achievement.

The TBMHA would like to thank those people who took the time to express their views regarding the value of the 2 and 3 minute playing rule. Reports from some Atom and Pee Wee games played since the

rule was dropped, indicated an apparent need for such a concept. In one reported game, a player stayed on the bench until approximately 35 seconds were left in the game. At that time he made his first appearance on the ice.

Our last item this week is a reply to Russ Phillips from Doug Roberts, Mary Cashmore, and the rest of the TBMHA executive. Your complaint (justified) by phone was acted upon the same evening that it was received. Last week's paper informed the Mite parents that additional hockey practices have been allocated to the Mites. Had you checked back as was requested, you would have found that your letter to the "NEWS" was probably not necessary. Also, neither Mr. Roberts nor Mrs. Cashmore feel that "the programme lacks" or said that they thought you were entitled to a refund of your registration fee. They agreed you were entitled to request it if you felt that strongly about it.

If anyone has any question regarding the operation of minor hockey in Terrace Bay, don't hesitate to contact the executive with your concern.

## Terrace Bay Ringette Assoc.

During the weekend of January 28-29th, the Terrace Bay Ringette Association hosted a ringette tournament. Ringette was developed twenty years ago as a winter team sport for girls and is an adaptation of floor hockey.

Seven teams from Thunder Bay, Nipigon and Longlac participated in spirited competition with the local teams in two age groups - Tweens and Junior Belles.

Fifteen games were played and as this was not an official tournament, no winners were declared. The "sports-gal" awards went to the Longlac Junior Belles and the Terrace Bay Tweens.

The executive would like to thank everyone who helped to make our

tournament a success. This includes coaches, time and score keepers, those who provided lunch and took in billets and everyone who made donations. The girls will be travelling to Longlac and Nipigon in the near future.

### Jamboree . . .

continued from page 1 bowling, court games, a Video Game Challenge, and on Saturday evening the Township of Terrace will be treating the lads to a spaghetti supper which will be held at the Moose Hall. Sunday, hockey will be played from 8 a.m. to 12 noon, followed by a hot dog lunch and then farewells.

Watch next week's "NEWS" for more information on this upcoming "Jamboree."
