Pictured above is one of the St. Martin's Senior Kindergarten class presenting one of McCausland Hospital Chronic Care patients with a Valentine. The Valentine's were created, hand signed and painted by all of the class, and residents of the ward were thrilled to be a part of their gifts.

## Property settlement sought for Schreiber Fire Hall

well as being too small.

The property adjacent to the Town Hall is appealing but the location of the Fire Hall on the property is limited because of the two 10" water lines running down the centre of the property.

The existing location is very poorly located and the property is much too small. Access is also a problem

especially when a function is being held in the Town Hall.

The Peary Street property is not centrally located and is not yet defined. The delay in response time to other parts of the Township is considerable. A fire call in most cases would require the Department to
