

# Pee Wee fun jamboree a huge success!

Saturday noon marked the Pee Wee game of Terrace Bay vs. Arnprior. They weren't out there to win, but to have fun playing.

The Terrace Bay Recreation Centre was over-run with Pee Wee Hockey players on Friday, February 24th as the eager youths awaited being placed with a billeting family. After a good night's sleep, they were ready for a very full day of activities which had been planned by the North Shore Recreation Directors' Pee Wee Fun Jamboree Committee.

The players were randomly placed on nine teams. They then played games with other teams including some of their friends with whom they play all year. They also participated in "on ice" workshops to improve their skills. When their

team was not scheduled to be on the ice, there were other activities planned for them including "Novelty Bowling", "Video Games Challenge" and "2x4 A-Go-Go relay Marathon". A spaghetti supper was prepared at the Moose Hall for their supper on Saturday.

On Sunday, there were more games in the arena followed by a hot dog lunch at the Moose Hall.

Players from Nakina, Geraldton, Red Rock, Terrace Bay, Marathon, Hornepayne, Wawa, Chapleau, and Arnprior participated in the Jamboree. They were all given souvenirs of the weekend but they will

probably not need any reminder of their fun experience.

Congratulations to the

organizers and special mention to the generous families who opened their homes to the visiting Pee Wees.
