

LET'S ALL GET READY FOR TERRACE BAY'S 25th BIRTHDAY PARTY

Start planning for the Spring Clean-Up Time

CLEAN UP

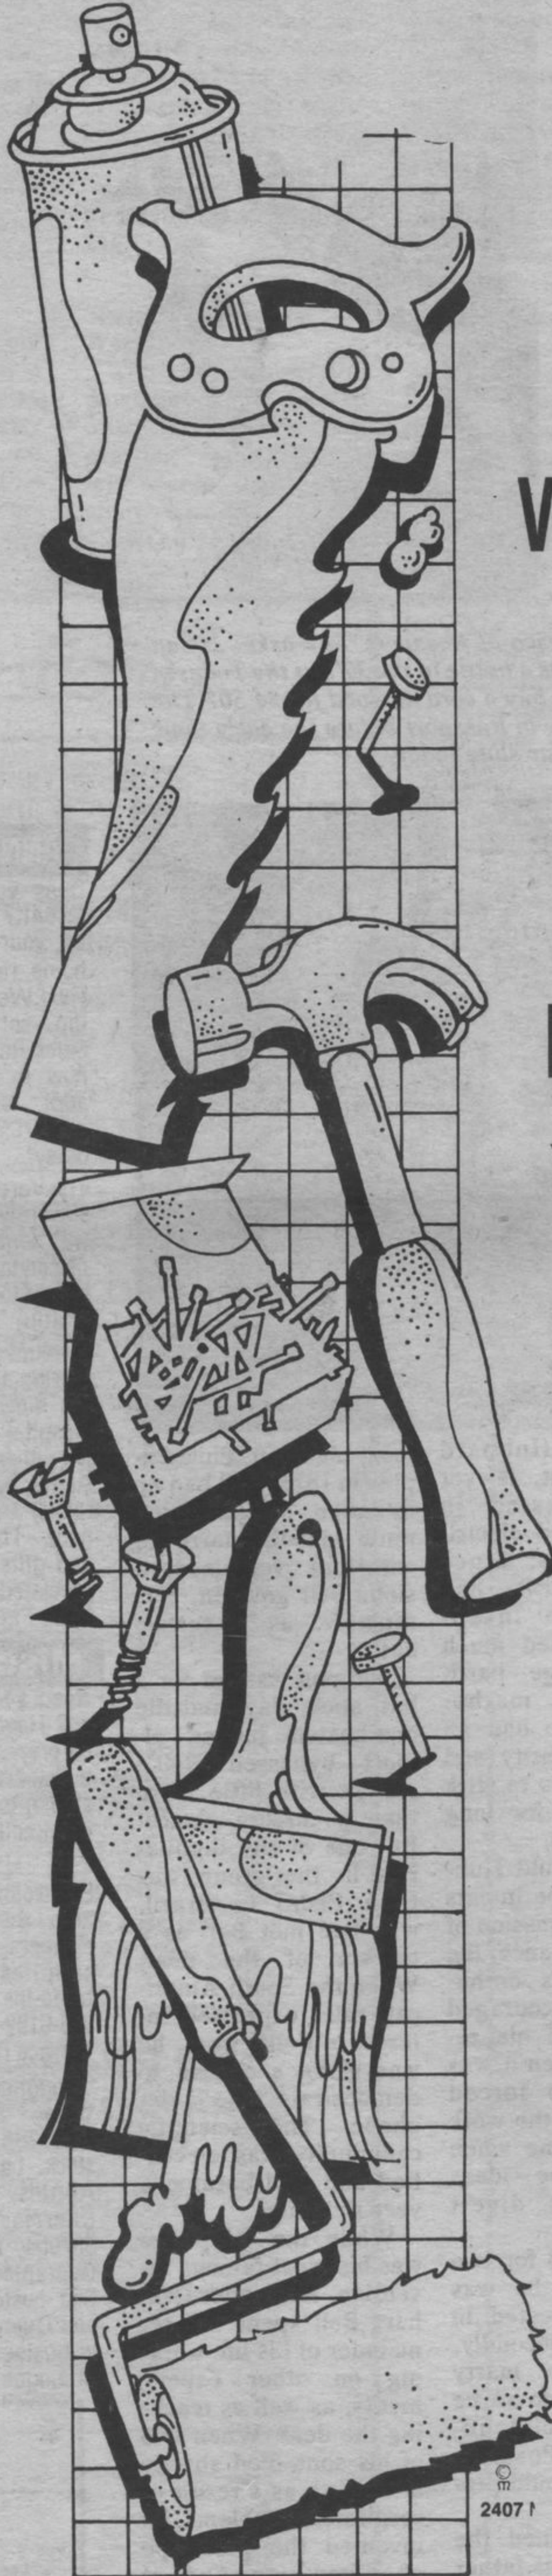

Our town has always been known for its cleanliness and well-kept properties. However, over the past few years some areas have deteriorated somewhat and we need to ask everybody's co-operation to once again make Terrace Bay

"The Gem of The North Shore"

Let's all get together and do it

- Let's make Terrace Bay extra beautiful in 1984 and keep it

That way for years to come .
Let's get all dressed up for our birthday year.
