Here is an exciting and inexpensive way to create your own decorations for home, holidays and gift giving. Everything you need to mould and shape your

own works of art is right there in your kitchen. Bread dough sculpture is an age old art form and now has become imaginative and personalized. You will be sculpturing figures and dressing them, then applying the finishing touches. This course will be held Friday March 30 (7-10 p.m.) and Saturday, March 31 (time to be announced). Call 3542 to indicate your interest.

**Natural Food Cooking**

Sumptuous dishes designed for family eating with lots of taste and appeal. Friday evening get started with yogurt, breads, beans, discussions and food tasting. Saturday will feature baking, preparing and planning, and singing at a family party at 5:30 p.m. Babysitting will be provided for Saturday if necessary. This course will be offered by Jennifer Garret of Thunder Bay and takes place on Friday March 30th (7-10 p.m.) and Saturday March 31 (9-12 p.m. and 1-5:30 p.m.). The family meal follows, until 7:30 p.m. This will take place in the Home Economics Room at the High School. Please call the Recreation office if you wish to register for this fun and interesting program.

**Tole Painting**

Is there anyone in Terrace Bay who knows how to dole Toile Painting, and would be able to instruct a workshop to pass the skill to others? Toile Painting is a Dutch Art involving layering Paint symmetrically on
