

### Schreiber Library news

Tuesday evening the library is open! The new evening hours (7-9:30) have been very popular with people who work and families who like to go to the library together. Students also use our reference books in the evening for those many school projects. It's been a very successful programme so far. We welcome anyone who hasn't used this new service.

Another service we now offer is books in the Finnish language. We have a good supply from the Regional Library. We can also get books in some other languages. Just call Bille Anne Saarinen at the library and we'll try to get them for you.

Have you been looking for a copy of the

Schreiber Heritage booklet? Come into the library to get your copy.

We're open afternoons (2-5) Wednesday - Saturday and Tuesday evening (7-9:30).

Spring is book ordering time. We have budgeted for this year and plan to spend as much as possible buying new books. Please call the library or any member of the board if there are books you would like to have in your library. We realize that many people may have visited the library and been unable to find what they wanted. We would like to remedy this but we need you to tell us what you want. Call the library or any of the board members if you have suggestions.

Check out these Spectacular food prices!
