

Terrace Bay Fire Report

The Terrace Bay Fire Department held regular drills for the month of February.

A tour was given to new members of the Fire Department and the Birchwood Terrace

Complex to become more familiar with the building and grounds. On February 27th the

Terrace Bay Fire Department was visited by two C.P. Rail officials. Mr. Ryan LeBlanc, Accident Prevention Officer gave a slide presentation of the carrying and shipping aspect of dangerous commodities handling and placarding etc. and Mr. Ed Gionet, Superintendent of Operations and Mechanical gave a brief lecture of Locomotive fires.

The Terrace Bay Fire Department would like to thank these two gentlemen for coming out and hope to have them back at a later date.

During the month of February the Terrace Bay Fire Department responded to three false alarms at Birchwood Terrace.
Rolly MoQuin
Deputy Fire Chief

Spring Racquetball and Squash Tournament

The Terrace Bay Recreation Department is planning to run a week long Squash and Racquetball tournament this spring. The tournament will begin on Monday, April 2nd and will end on Sunday, April 8th. This type of tournament is aimed at attracting maximum participation. Games can be played at the convenience of both parties involved. It is our hope that all users of the courts will register for the tournament, allowing divisions to be set up and to have an "A", "B", "C" and a "Beginner's" division in

both sports. The draw will be "double elimination" which guarantees all participants two games. Registration deadline is Wednesday, March 28th.

If you are interested in assisting the recreation department with organizing this event, your help would be appreciated. Please call 3542 to register or offer assistance.
