Paper Tole
(Beginners and abstract) (Bette Hastings in conjunction with Confederation College)

Paper Tole is an old art form dating back to the 18th/19th century Europe. It is a three dimensional picture created by cutting three or more identical prints and layering them together using silicone. The student will be cutting each print apart in a different manner and sculpturing and layering them to produce a dimensional effect. Beginners will learn all basic principles and complete a project. Those who have taken the course previously will learn advanced and new techniques and complete a different project. This course will be held Saturday May 5th, from 9:00 a.m. to 12:00 noon and from 1-4 p.m. in the Conference Room at the Recreation Centre.

The success of the bureau office has encouraged the federal government to establish a federal government telephone referral service. This service was inaugurated in January 1984 and provides residents of Ontario with access to federal government information regardless of where they reside in Ontario.

The bilingual referral service provides people with a local or toll-free number to call when they need help finding the right department in the federal government. These numbers will be listed under Canada Service Bureau or "Information and Referral" in the Blue Pages of the 1984 public continued on page 19

Ontario Health Insurance Plan

by **JANE E. GREER**

Upon reaching the age of 21, upon marriage, or upon becoming fully employed, whichever happens first, a young person normally ceases to be classified as the parent's dependent.

An able dependent ceases to be eligible for coverage under the parent's insurance number from the first day of the month following the 21st birthday. To maintain continuous coverage, application should be made to O.H.I.P. within 30 days of the 21st birthday. Applicants are available from Northern Affairs.

In the case of marriage, a dependent ceases to be eligible for coverage under the parent's insurance from the first day of the month following marriage. Steps must be taken within 30 days of marriage to change your insurance to family coverage.

Those who are applying for new coverage through non-group enrollment must now provide a copy of a document pertaining to residency status. For example, a returning Canadian, someone

from another Canadian province, or an Ontario resident must provide a Canadian birth certificate or a Canadian citizenship certificate. A landed immigrant, returning immigrant (from outside Canada) or landed immigrant from another Canadian province or territory must attach a copy of Canadian immigration or returning resident permit.

Under certain circumstances, a resident may arrange to continue in O.H.I.P. while living temporarily outside of Ontario. O.H.I.P. would have to be advised of the

Township Of Terrace Bay Spring Clean-Up-84

The week of April 30th to May 4th, 1984 will be "SPRING CLEAN-UP WEEK" in Terrace Bay.

Residents are asked to place their rubbish close to the road side, in proper containers where possible, to permit easy access for loading. Owners of old cars on residential property who wish to dispose of same should contact the Public Works Department at 825-9016.

Please do not put out large or heavy items before cleanup week, as this slows down regular collections. Residents are also asked not to pile sand from lawns and boulevards on the street. These piles are too compact to be handled by our sweeper. Remember, this is our twenty-fifth anniversary, so let's all make a special effort to spruce up.

Clerk-Co-ordinator
