

Past Schreiberites celebrate 50 years

The following was submitted to us by Jack Stokes, M.P.P. As Mr. and Mrs. Eickmeier once lived in Schreiber, Jack thought that it might be of interest to some of their old friends.
By Walter McKenzie, Correspondent.
MITCHELL - An open

house was held at Grace Lutheran Church here Saturday to mark the 50th wedding anniversary of Fred and Marion Eickmeier.

Later in the day, the celebration continued with a family dinner at the Royal Hotel in Mitchell.

The Eickmeiers were married at the Grace Lutheran parsonage by the late Rev. Strum on March 24, 1984.

Mrs. Eickmeier is the former Marion Lotzsch, a daughter of the late Mr. and Mrs. Eqald Lotzsch of Germany. Eickmeier is the son of the late Mr. and Mrs. John Eickmeier of Logan Township.

Following their marriage, the couple lived in Mitchell where Mr. Eickmeier was a milk

salesman for a local creamery. In 1942, the Eickmeiers moved to Schreiber where Mr. Eickmeier worked in the paper mills for 25 years. In 1972 they retired to Rowland Street in Mitchell where they still reside.

Mr. and Mrs. Eickmeier have two sons, Fred of Australia and Jim and his wife Myrna, of Ottawa and one daughter, Mr. Ray (Joan) Coxhead of Toronto. They also have four grandchildren.

The couple are in good health and are active card players. Mr. Eickmeier enjoys conversing with people and can often be seen downtown chatting with his many friends.

Until a few years ago, Mr. Eickmeier helped

out on a local dairy farm when he was needed, and today he works occasionally at a local appliance store.

In honour of the special occasion, the Eickmeiers received numerous cards and gifts from friends and relatives.

Holy Angels...

Borutski held a workshop on Pro-Life.

The Pot of Gold will be carried over to the next meeting as the names drawn, Lil Ukrainec, Tammy Mineau and Jackie Commisso were not in attendance.

Regional 'Under 17' Hockey Camps

The CAHA Hockey Development Council Elite Committee announces the Program of Excellence for the coming year will expand to include Regional Under 17 Hockey Camps. These Regional Camps for Midget age hockey players will be conducted across Canada during the summer. The purpose of the camps will be to identify the best second year Midget hockey players and select those players to five regional teams.

The camps will be conducted in Alberta for Alberta and B.C., and in Winnipeg for Manitoba and Saskatchewan and at the University of Waterloo for Ontario, and in Montreal for Quebec and in Fredericton for the Atlantic Provinces. Each branch will be conducting its own camp in which they will select the best players to send to the regional camp. From the regional camp there will be a team selected of approximately 20 players who will then regroup with their coaches over the Christmas holidays to play a Russian Midget touring hockey team. This will probably encompass three to four games.

The Elite Committee is presently looking for a head coach and assistant coaches in each of the regional camps. For Ontario, the Ottawa District Hockey Association, the Ontario Hockey Association and the Thunder Bay Amateur Hockey Association are combining to search for coaching expertise to spend one week at the regional camp July 30 - August 4 at the University of Waterloo, and then regroup with the team for the Christmas tour-

namment.

The regional Under 17 camp will identify potential players and also identify potential coaches who can coach at the international level which leads to the Olympic hockey program. Therefore, coaches in the Thunder Bay Amateur Hockey Association Branch wishing to apply for the head coach or two assistant positions for the Ontario Regional team can do so by calling Dave Fitzpatrick, Thunder Bay Amateur Hockey Association Branch Development Coordinator and securing an application form and returning it by Wednesday, April 25 at 5:00 p.m. The coaches should be aware that they would be called to attend a seminar in mid-June under the guidance of Olympic coach, Dave King, and also be available for a one-week camp, July 30 - August 4 at the University of Waterloo and then also be available to coach the team during the Christmas break against the touring teams.

These coaches will be evaluated during the camp and competition as to their potential to carry on in the Program of Excellence and thus a commitment to the program is very important. Applications should be made as soon as possible by those who would seriously consider these positions. It must be noted that this is not a paid position but all expenses will be covered.

Call 622-4792 or write Dave Fitzpatrick, Thunder Bay Amateur Hockey Association Branch, Hockey Development Coordinator, 1825 Arthur Street, Thunder Bay, Ontario, P7E 5N7.

ONTARIO GOVERNMENT TENDER Site Preparation 1984
