McCausland Hospital

plans celebration

Canada Health Day is celebrated every year on May 12th to commemorate Florence Nightingale's birthday. This year's theme is "Behind the Scenes in Health Care", and offers a unique opportunity to become better acquainted with your local health organization.

Canada Health Day is sponsored by the Canadian Hospital Association, a federation of provincial health/hospital associations, and the Canadian Public Health

Association. Both organizations endeavour to protect and promote the health and welfare of the Canadian public through the provision of better health services.

The McCausland Hospital will be celebrating this day on Friday, May 11th. A very special day has been planned and your participation is highly encouraged.
