

# Friendliness Impresses Newcomer

Ron Larivee, Schreiber's new Rec Director, works at his first task, that of "juggling the budget".

## "Quinard Ltd." Oldtimers - Another Successful Season

This past winter has been very busy for Terrace Bay's "Quinard Ltd." Oldtimers. In the fall, the team ran a highly successful hockey school in conjunction with the Terrace Bay Minor Hockey Association. The team also donated \$250.00 to the Pee Wees toward their Arnprior trip, as well as \$250.00 to Minor Hockey.

The team repeated their winning of the White River Tournament and the Terrace Bay Tournament. As well, the team also added the Ignace, and International Falls Tournaments to their list of championships.

The Oldtimers hosted White River in Schreiber as a benefit game for the Schreiber Figure Skating Club. The Terrace Bay Midgets also had a game with the

Oldtimers and expressed a desire for future games next season.

The operation of a successful team depends not only on the hard work and dedication of the players, but also the support shown by the fans and financial supporters. To that end, the team wishes to thank all our fans who attended home and road games and the following businesses for their financial support:

M.J. Fraser Electric,  
Dingwell Machinery,  
Mid Canada Welding,  
Quinard Ltd.,  
Cullmar Construction,  
F.R.P. Systems,  
Desrosiers & Sons,  
G. Figliomeni & Sons,  
Berglund Industrial,  
Kodila's Home Hardware,

Costa's Foodmarket and  
R.P.M. Drives.

Thanks also to the "News" for coverage of all our events.

Big things are being planned for next season, so have a good summer, and we'll see you next fall.

Ron Larivee and his family have been impressed by Schreiber. Once again the people of Schreiber have overwhelmed a newcomer with their friendliness and incredible community spirit. Ron is the new Recreation Director in Schreiber. He was chosen from about 45 applicants for the position and comes with excellent credentials.

An original "northerner", Ron is from Iroquois Falls. He completed the two year Recreational Leadership Course at Mohawk College in Hamilton. The next six and one half years were spent working at training schools under the Ontario Ministries of Correctional Services, Health and Social Services. For the last three and a half years, Ron has been the Rec Director for Black River/Matheson.

Ron's wife Sandy, is in the process of settling in along with children, Michael, 7, Rhonda, 6 and Andrea 2. Sandy worked part time at the Post Office in Matheson but is too busy to consider employment at this time.

the summer.

Slowpitch, Fastball and Broomball are of special interest to Ron and he hopes to become personally involved in all three as well as assisting other sports and recreation groups with their organization.

A priority as far as the budget is concerned is braces for the floor of

the Hall. Repairs are budgeted for January 1985 but Ron assures us that it is safe to dance on and won't collapse.

Ron is happy to be here and appreciates the wonderful reception and welcome to the area. He invites residents to drop in and share their ideas with him.
