T.B.F.S. Club - "Artists at their best"

"Strawberry Shortcakes" at the 1984 T.B.F.S. Club Carnival.

The Terrace Bay Figure Skating Club once again dazzled their fans with their superb performance characterized by innovative and colourful costumes, as well as artistic skating.

"Feel the Beat", a performance directed by Coach Paul Wirtz, combined the talents of the Terrace Bay and Marathon figure skaters, with two shows held in the Terrace Bay Arena and two shows in the Marathon Arena the weekend of April 7, 8 and 9th.

The concert featured 18 separate numbers including crowd pleasers like "Strawberry Shortcake", the youngest of the skaters; the graceful and artistic dance pair of Tracy Clark and Mark Saranpaa; the exciting pairs performance of "Show Stoppers" with Sarah

Fry and Kris Wirtz; and the unexpected and hilarious line number "New York! New York!"

Guest skating professional Valerie Hutcheon and local professional Paul Wirtz delighted the audiences with a pairs performance.

The finale "Flash Dance", which included the entire Sr. and Intermediate cast, left the audience most definitely "Feeling the Beat."

Special thanks goes to all those who contributed to the success of this Carnival, namely the Moms and Dads; Moe Stark (M.C.); Denis Bouchie (lighting); Murray Clark (props); Lake Superior High School (stage); Credit Union, Kimberly Clark, Imperial Motel and the Kinsmen Club.

We have an opportunity for an enthusiastic individual who wants to run his own business, earn well above average income, and be associated with the undisputed leader in professional tool marketing.

Presently there are openings in Kenora/Fort Frances Territory and in Dryden Territory.

A minimum investment or equity is required well protected by Snap-on's proven track record and extensive management support.
