

A Step Closer To A Dream

Susan Johnson Hewson is surrounded by some of her photographs and an "Earthwood Original" creation, which are just some of the samples of what will be on display at her first "showing" in the Terrace Bay Recreation Centre on Saturday, May 5th.

by LYNNE BADGER
There is a new business in the area. There has been neither a "Grand Opening" nor copious amounts of advertising to let us know it is around. After two years of quiet experimentation, suddenly, last October, Birch Magic Photography became a reality for Susan Johnson-Hewson. Now it's time to show everyone what Birch Magic has to offer.

Susan will be having the first "Show" for her work on Saturday, May 5th from noon to 6 p.m.

in the Multi-Purpose Room of the Terrace Bay Recreation Centre. The show will consist primarily of a display of framed scenery photographs. The scenery was photographed from Nipigon to Manitowadge both on the Lakeshore as well as inland. Many are recognizable by local residents and make excellent parting and retirement gifts. Examples of Susan's portrait and wedding photography will also be on display and she will take bookings there.

Rae Eckel and Ed

Kenney (from Rosspoint) will contribute to the show as well with their "Earthwood Originals" handcrafted nature scenes created from natural materials.

Susan is a local talent who only discovered this particular course in Manitowadge and felt that some of her pictures were worth framing. Some people agreed and encouraged her by buying two of four pictures she displayed in a local bank, on the first day. Since then she has been building up a selection of framed photographs to give people a wider range of scene and

colour selection.

Until she can open an actual shop and do things for herself, she chooses the colour mats and has the framing done in Thun-

der Bay. The "shop" is still a dream, along with a studio. Her show on May 5th is the first step toward fulfilling that dream.

"Terriers" win Jr. "B" Championship

The Portage Terriers defeated the Selkirk Fishermen 5-2 on Sunday April 15.

In the round robin Selkirk had 3 wins and no losses. Portage had 2 wins and 1 loss. Thunder Bay Hornets had 1 win and 2 losses. The host Schreiber North Stars were winless for the entire tournament.

Results of the round robin were: **Game #1:** Selkirk 6, Portage 3; **Game #2:** Thunder Bay 8, Schreiber 4; **Game 3:** Selkirk 6, Thunder Bay 4; **Game 4:** Portage 6, Schreiber 2; **Game 5:** Portage 4, Thunder Bay 2; **Game 6:** Selkirk 16, Schreiber 5.

Top Scorer for the North Stars was Allan Johns of Marathon with 4 goals and 3 assists. Top scorers for the entire tournament were Jeff Madigan of Selkirk with 5 goals and 5 assists; Jamie Chabot of Thunder Bay with 6 goals and 4 assists; and Brian Prystay of Thunder Bay with 2 goals and 8 assists.

Individual awards went to the following: Best Goaltender, shared by Joey Speziale and Marco Desjardins of the North Stars who were out shot 189 to 122 in four games; Best Defenceman of the tournament was Scott Dewis of the Portage Terriers.

The Keystone Trophy was presented by Mr. Jim Ward of Portage La Prairie, Manitoba, President of the Western Canada Junior "B" Association to

Dean Moxham, Captain of the Portage Terriers.

If it is any consolation to the North Stars, we were told that last year when Portage hosted the tournament, they didn't win a game. This year they won it all. It would be nice if the North Stars could do the same thing. Keep up the good work and better luck next year.

Congratulations to the Executive of the Schreiber North Stars and volunteers who undertook a gigantic job and completed it successfully. Comments from Portage and Thunder Bay parents indicate that the Western Canada Junior "B" Championship was well organized and very enjoyable.
