Schreiber Centennial-1985

In May of 1885 the last spike on the north shore of the CPR was driven. Thus Eastern Canada was finally connected to the Canadian West. The location now known as Schreiber was selected as a divisional point and soon homes and shops began to appear. Schreiber was not officially incorporated as a township until 1901, but the real birth of our town came with the opening of the railway in 1885. For this reason, Schreiber will be celebrating its 100th birthday next year.

The purpose of this news release is three fold. First of all, this centennial celebration is not connected in any way to Ontario's bicentennial which is being celebrated throughout Ontario this year, besides in our own community.

Secondly, the township has appointed three people to initially serve

on a basic committee to plan the celebrations. The committee has decided that our birthday will be held during the first week of July in 1985. Our first task is to inform the general public about the dates so we can invite all former residents to a homecoming in July of 1985. In a few days a questionnaire will be sent to all residents of Schreiber asking them for names and addresses of relatives who have left our town. We would like to receive this information so that we can personally contact them in ample time, so families can plan their holidays. We would also appreciate this information from any former residents of Schreiber who now live in Terrace Bay or other surrounding communities.

The basic committee to date has just planned the time that our centennial will be held. We

have not planned specific events which will be co-ordinated this summer and fall. If anyone is interested in serving on this centennial committee, please leave your name at the Municipal Office or contact one of the members listed below: Fred Harness, or Councillors Mike Cosgrove and Tom Quinton.

Let's all work together and make 1985 the best year that Schreiber has seen.
