review the role of the hospital and its relationship with other hospitals, agencies and community groups.

Mr. Ken Temple, Hospital Administrator of the L.P.H., stated that he and his staff look forward to working with the consulting firm, in that it will assist all clinical and support services personnel in better understanding their future areas of responsibility and accountability and it will complement the Mental Health Services study currently being undertaken by the Thunder Bay District Health Council.

PROJECT COORDINATOR /RESEARCHER

(One Year Contract Position)

Required to conduct a long term care study for the District of Thunder Bay. This study will focus on the broad health needs of the elderly and will culminate in the submission to Council of a Long Term Care Plan for institutional and community-based services.

Components of the study include demographic and utilization analysis, an accommodation survey and waiting list review, a resources inventory, and consultation with provider and consumer groups.

Qualifications for this position include skills in and excellent analytical, methodological and working with committees and community groups, and excellent analytical, methodological and writing abilities. Preference will be given to candidates with a relevant graduate degree, previous experience in human service research and background in the field of long term care. Salary Range: \$25,000 - \$28,000 Complete resumes to be submitted by May 18, 1984 to:

Foster Loucks
Executive Director
Thunder Bay District Health Council
Suite 1, 516 Victoria Avenue
