Coping With Caring

On Friday, April 29th, a group of interested residents gathered at Birchwood Terrace to listen to Mrs. Alyce Knott, Thunder Bay District Convener of the CanSurmount Programme. CanSurmount is a Programme of volunteer patients who have coped successfully with cancer and who can give support, understand-

ing and hope to other cancer patients and their families.

A film "Coping with Caring" was shown to demonstrate the programme in operation. Following the film, a discussion took place with many people feeling this programme would be worthwhile promoting. It will require qualified, care-

fully selected personnel.

The evening ended with lunch being served by the executive of the Cancer Society.

Thank you to L. Speziale, C. McLeod, M. O'Neil, J. Nugent, M. McDougall and M. Hale, and B. Wallin for supplying the refreshments and M. Mahoney for her assistance.

Terrace Bay Fish Derby Doomed?

Did you enjoy last year's "Terrace Bay Fish Derby"? Would you like to have a Derby again this summer? If you have answered "Yes" to these questions, your attendance is requested at a special meeting to be held Monday, June 4, 1984, in the Lower Lounge of Birchwood Terrace.

This meeting will decide the fate of the 1984

Terrace Bay Rod and Gun Club Annual Fish Derby. To date, there has not been sufficient involvement from Rod and Gun Club members to make a Derby possible. Support from the general public is sought as well. Help make the Fish Derby a reality.

Attend the meeting Monday, June 4, 1984 at 7:30 p.m., Lower Lounge, Birchwood Terrace.
