THE SEAT OF AUTHORITY

Take your place on the Suzuki Madura V-1200 and you'll be taking your place in history.

That's because there's been nothing like the

Madura ever before.

Making it so is a throaty, four-stroke, TSCC, liquid-cooled V-four engine.

Coupled to it is a silky smooth, shaft drive with six speed transmission with overdrive so you can cruise the streets with ease.

To make it more of a driving force, we've given the Madura V-1200 a low seat, Suzuki's Full Floater rear suspension, disc brakes both front and rear, and a

maintenance free hydraulic clutch. Take your seat on the Suzuki Madura V-1200, today.
