## C.W.L. Meeting

The May monthly meeting of Holy Angels C.W.L. was held Sunday, May 13th in the Parish Centre. The meeting opened with a prayer led by President, Mrs. Billie Ann Saarienen. The Secretary, Bernadette Cardiff, read the minutes of the previous meeting. The President read the correspondence in absence of the corresponding secretary. Treasurer, Mrs. Roxanne McLellan gave her report. Mrs. Rita McGrath, Spiritual Convenor, gave the Bible reading on The Magnificent.

The President read a couple of replies received from companies we wrote to protesting their advertising in the Pro-abortion magazine "Homemakers." It was felt the daily rosary being recited in the church at 6:45 should be published in the bulletin. The President thanked Mrs. Margaret Perlegrino and Mrs. Rose Speziale for serving the lunch to the seniors after 3 p.m. Mass, First Friday.

Mrs. Teresa Stortini gave a report on the Diocesan Convention she attended in Fort Frances, May 8-9-10th. The formal First Communion will be held on Sunday, May 27th. It was agreed to order tickets from the national office on a draw for either \$1,000 or a paid trip to the National Convention.

Father Peter then addressed the meeting. He mentioned it is Sister Dara's 50th year in the Convent and Monsignor Bourguignan's 25th anniversary in the Priesthood. He spoke on the

coming visit to Canada of Pope John Paul, the closest places of his visit being Winnipeg and The Martyrs Shrine, Midland. He stressed we listen prayerfully to the Pope's messages.

Sister Gexton will be contacted concerning the bibles to be presented to the Grade 8 graduates. The meeting then adjourned and lunch was served.

The names drawn for the Pot of Gold were Mrs. Elizabeth Perrault, Mrs. Therese Martin and Mrs. Cathy Riley. As none of these members were in attendance, the amount will be carried to the next meeting.

## OOPS!

Last week's feature on Education Week consisted of transcribed speeches written by students of St. Martin of Tours School. Unfortunately, one speech encountered difficulties in

reaching the "NEWS" before the Friday noon deadline. After an interesting journey, it finally arrived.

I believe we have a philosopher in the making. Enjoy! Ooops!

## Wayne Papineau Grade 5

I know you can do anything with anything. As a matter of fact you can do anything with anything. When you are writing a test you don't want to give anything away. In that case anything is an answer. So you can do lots of things with anything.

You can find anything anywhere. You can hear, see, taste, touch and smell anything. No matter where you hide anything is there.

Do you know how to do anything? All of us do, because everybody was doing anything before they were born.

If we didn't have anything we would not

have anybody and anywhere because the word "any" is in anybody and anywhere so they would not exist.

Anything can do lots of things. It can hear, see, touch, taste and smell. That was a little of what anything can do. If you're fishing you can catch anything. Anything can be heard, seen, tasted, touched and smelled.

Anything can not do nothing because anything is us, dogs and anything else you can think of.

Now you know anything is important to anybody anywhere in the world.
