

RosSPORT hosts fishermen aplenty!

by ANNE TODESCO

Despite the cold, the rain, fog and strong, windy weather, several hundred sportsmen braved the conditions to compete in bringing in the largest fish in the annual RosSPORT Derby which was held on June 23rd and 24th.

The largest fish to top the scales was netted by Tyrone Williams of Terrace Bay and his fish weighed in at ten pounds, twelve ounces. The smallest fish entered, weighed twelve ounces and that fish won a prize for Karen Brassard of Terrace Bay.

Over half of the prizes went to Terrace Bay contestants with only one going to a local man, namely Stanley Zwaresh of RosSPORT.

The local park was attractively decorated in flags and signs with a sailboat offering a welcome to all (which was mounted at the entrance to RosSPORT, splendidly painted with a fresh coat of red and white). Patricia Campbell was the decorator while Juris Zdanovskis repaired the boat, built the sail, and also the deck. It will be a permanent fixture at our park entrance. Several men worked steadily for over a month underbrushing, clearing the site, erecting booths and a marquee tent top, the latter did a fine flop to the tables during the heavy wind.

There were food booths, confections, coffee, pop, as well as a crown and anchor wheel. The official weigher, Lester Legault was kept busy. Many small fish were caught which didn't win a prize. Jacque Landry of the M.N.R. was in attendance taking samples to be analyzed by the department.

Winners and prizes for the Derby are as follows:
