Polka Dot Door Live

Polka Dot Door Live, adopted from TV Ontario's highly successful children's television series will be appearing at the Schreiber Recreation Complex Parking Lot Wednesday, August 1, 1984 at 5:00 p.m.

An integral part of Ontario's Bicentennial Showcase Tour, this show will be performing around the Province from June 25th to August 18th. The philosophy behind the show is simple. Children learn through play. The show encourages curiosity, creativity and imagination. It stimulates an interest in learning with its emotional, intellectual and social appeal. Above all, Polka Dot Door encourages children to be active participants rather than passive spectators.

The children will get a chance to see all their favourites, Humpty, Bear, Dumpty, Merigold and everyone's favorite Polkaroo.

Polka Dot Door Live promises to be one of the highlights of the children's summer program. There will be no charge for attending the

performance and hopefully the weather will co-operate. If, however, it does not, the show will move into the Community Hall.

Summer Fun Program

The Youth Drop In is proving to be very successful. Each week day from 10:00 a.m. to 5:00 p.m. more and more children are participating in sports such as soccer, tennis and badminton. Others are welcome to come and enjoy our wide selection of sit down games.

Our first car wash held on Wednesday, July 11 was a great success. Not one child left dry. Thank you to all those people who supported our special event.

The first Youth Drop In Camping Trip is taking place on July 20, 21, 22, 1984. Children ages 8 to 12 are encouraged to sign up at the Drop In Office. Come on and adventure to Rainbow Falls with us.

The Tot Drop In is well on it's way. Approximately 20-30 children ages 4 to 8 years attend every Tuesday and Thursday from 1-3 p.m. Special events for Tot Drop In include: Post Office Tour on July 17th,

Police Station Tour on July 19th, and a Fire Station Tour on July 25th. Tots are encouraged to attend these fun filled events.

Swim Program

The Swim Program of 1984 will be conducting many special events for the month of July. This summer we have a week break in between sessions, July 23rd to July 27th. During this week

we will be conducting an Annual Swim Show. This particular event is to entertain the parents and the public. Each class or level will be asked to show a particular skill which was taught to them from their instructor. The instructors perform five skits which are very entertaining. The event takes place at White Sand Beach, July 25

from 11:00 a.m. to 1:00 p.m. All parents and guests are encouraged to attend and transportation will be provided. The bus will leave the Legion at 10:30 a.m. Looking forward to seeing you there.

On July 26th and 27th the Youth Drop In and Swim Program will host a joint public swim. On Thursday, July 26 child-

NOTICE OF THE PASSING OF A ZONING BY-LAW

by

The Corporation of the Township of Terrace Bay

TAKE NOTICE that the Council of the Corporation of the Township of Terrace Bay passed By-law Number 11-84 on the twenty-fifth day of June, 1984, under Section 34 of the Planning Act, 1983.

AND TAKE NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect of the by-law by filing with the Clerk of the Corporation of the Township of Terrace Bay no later than the seventh day of August, 1984, a notice of appeal setting out the objection to the by-law and the reasons in support of the objection. An explanation of the purpose and effect of the by-law, describing the lands to which the by-law applies, (or alternatively, an explanation as to why a key map is not provided) follows. The complete by-law is available for inspection in my office during regular hours.

By-law number 11-84 applies to a roughly triangular area bordered by Mill Road, Cemetery Road, and the Kimberly-Clark rail spur line. The by-law changes the zoning on this land from Rural (A) to General Industrial (M). This change will allow the proposed development of a wholesale industrial supply business on this property. A key map of this area cannot conveniently be reproduced for publication.

Date at the Township of Terrace Bay this ninth day of July, 1984.
