## News

Schreiber Rec Director, Ron Larrivee (rear) gathers his A Team and B Team together for instructions about the Toronto trip. If a member of the A team cannot attend, the member of the B team of the same age and sex will attend in their place. Members of the teams are left to

right (front) Rebecca Wiseman B, Loralie Fournier B, Karen Desilets A, Denise Labbe A, (back row) Scot Anderson B, Chris Comisso A, Kerry Anderson B, Richard Moorey A, Johane Boyce A, Jeff Lauritzen A. Missing: Sean Duggan B and J.J. Duffy B.

## A Team heads for Toronto

by LYNNE BADGER

Six Schreiber youngsters are flying from Thunder Bay to Toronto on August 24 to spend the weekend. They and six others have just returned from a trip to Geraldton accompanied by Schreiber Rec. Director Ron Larivee.

It's all a part of the "Sports Festival". At the festival sponsored by Geraldton, the object was to teach children aged 9, 10 and 11 the skills of throwing, striking, catching, kicking, running and jumping which are basic to most sports. Marathon, Manitowadge, Beardmore and Geraldton also participated.

The program was from 11:00 a.m. to 5:00 p.m. and consisted of a "Strengthalon", old games, new games and an obstacle course. The strengthalon consisted of 10 stations, each with a skill which had to be performed as quickly as possible for 45 seconds.

The new games were described in detail by the team members. "Knock Your Socks Off" involves crawling around on your hands and knees trying to remove your opponent's

socks.

Death Star's (bean bags and soft balls) had to be avoided when playing "Star Wars". When hit by a death star, a player must freeze and can only be saved by a Jedi Knight with a light sabre (rolled up newspaper). A Frisbee provides a safe "star base". One team must freeze the entire other team by throwing death stars to win.

Triangle tag, Cookie

Machine and Body surfing sounded very innovative and fun as well.

The Sports Festival stresses the learning of skills through games and is not a competition. Team members in Schreiber were chosen from a hat. The first six, chosen by age and sex became the A team and the next six children became the B team. In Geraldton a draw was again made to deter-

mine who would represent the area in Toronto at the Sports Festival there. The lucky A team will be flying to Toronto August 24.

Cecile requires  
co-operation

The Terrace Bay/Lake Superior Multicultural Association is conducting a Post-Festival survey to assess the impact the Intercultural Festival has had on the residents of this area, and to receive recommendations from area citizens about future cultural productions.

All information provided will be treated with the utmost care and will only be used to de-

termine ways that the Association can best meet the cultural needs of our citizens.

The information will be gathered by Cecile McGuire who will approach you with a letter of introduction.

Your co-operation is requested, and is greatly appreciated by the Terrace Bay/Lake Superior Multicultural Association.

Rosspport may  
be at Expo '85

by ANNE TODESCO

The villagers received a pleasant surprise when one of Canada's leading film makers was filming here Tuesday. He made a movie tape of the harbour and the comings and goings of watercraft.

The company, David MacKay Limited, has filmed many pictures in Canada and on IMAX, the world's largest format, shown at the Cine-sphere at Ontario Place, Toronto. David MacKay's background in design and art direction

has led to many innovations in film making including the Oscar winning "A Place to Stand" a multi-image approach to expo '67".

They are presently filming across Canada for Expo 86 and the film will be shown on movie screens in 1987 across the country. On their one half million dollar camera which involves a 3D image making, the company filmed local scenes. They featured Judge George Paradis of Sioux City, Iowa, coming in to dock with his

limit of three lake trout. One of the trout did a few flips and twists for the camera as it was held up. Judge Paradis has been a summer visitor to Rosspport for the past 34 years and knows the hide-outs of the fish along our north shore. He is 88 years old and still fishes alone early in the mornings, generally bringing home a fish for his breakfast.

Thanks to Mr. Kenny for his assistance with the preceding news.

## More News . . .

The Saturday Bicentennial Dance has been cancelled. It was to be an old type of dance with old time music. Sorry everyone that this had to happen.

Mr. Alex Krystia has informed Mrs. Anne Todesco that she has been chosen and nominated in Rosspport for the Citizen of the Year Award. The award is to be presented in September if the nomination is accepted by the committee in Toronto. The chosen person will be notified if successful. Anne was surprised, pleased and honoured by the kindness of the villagers who put her name forward to be considered.

Five days of events will mark the Bicentennial celebrations of Pays Plat "Indian Days" from Wednesday August 1st to August 5th announced the band chief Mike Wannakamik this week.

AUGUST 1st - Set up camp.

AUGUST 2nd - 10 a.m. following breakfast the chief Mike Wanakamik speaks and welcomes the guests

from many Indian bands. Many invitations were sent out to Indian Bands from the Soo the Manitowadge and to the north and west of their reserve. 10:30 a.m. the many visiting chiefs of the visiting reserves will address the group and Indian Days Lunch will follow. 1:00 p.m. A Pow-Wow dance with drums will follow, then the smoking of the Sacred Pipe will take place. 5:00 to 7:00 p.m. a tribal supper will be served followed by a sing-a-long program till midnight.

AUGUST 3rd - The events will start at noon with another Pow-Wow Dance and drums with the participants in Native dress. Followed by the elders speaking on the ways of Indian People. Next comes a Supper of wild meat dishes etc. and Indian food menu. The evening program is planned around an old time Square dance at the Community Hall.

AUGUST 4th - Chiefs speak on the reserve problems and land claims, beginning the afternoon session. This will be followed again

with another performance of the drums and dancers. Another old time supper will be served and the evening is to be spent in dancing and card games.

AUGUST 5th - After breakfast the Pow-Wow dancers and drums will perform. After lunch, a Church Service, weather permitting will be held outdoors. Then comes the Peace Pipe ceremony by Lex Porter and honour dances and events. Prizes are to be distributed. A final FEAST will be held with chief Mike Wannakamik reciting the closing prayers and leading in a Sing-a-long farewell to the visiting tribes. During the day there will be special events held in the hall for the children. Jack Stokes M.P.P. is expected to attend the festivities. It appears to be a fun five days.

The Rosspport Villagers have planned a two day sport event followed by a Bicentennial picnic for the same weekend. The menu is planned around old fashioned baked beans and a fish fry, baked potatoes and blueberry cake.

## "The Happy Gang"

The "happy gang", so-called due to their cheerful dispositions are the Terrace Bay Tot Lot supervisors. They are up to their elbows in glue preparing pinatas for

Tot Lot Family Fun Day. Left to right: Wendy Mendelin, Janet Chappel, Susan Boucher and Lisa Ready.
