Hockey School

Superior Hockey Schools announces four new instructors added to the already fine coaching staff.

Walt Poddubny of the Toronto Maple Leafs; Mike Tomlak, Cornwall Royals, Ontario Hockey League; Rob DeGagne, North Bay, Ontario Hockey League; and George Cava, Italian 2nd Division League, are ready to instruct during the 1984 Superior Hockey School.

Poddubny, a Thunder Bay native who played his minor hockey locally had a fine season despite a broken ankle which sidelined him for most of the season. Walt played junior hockey in Thunder Bay before moving to Major "A" with the Brandon Wheat Kings, and later the Kingston Canadians where he was drafted as Edmonton's 4th overall choice in 1980.

Walt holds the Leafs record for most goals by a rookie with 28 in 1982-83. He also had 31 assists for 59 points to help the Leafs to the playoffs.

Tomlak had a fine season with Cornwall, leading the team in scoring with 88 points and being nominated for player of the year in junior hockey. Mike played minor hockey locally and one season with the Thunder Bay Junior Kings coached by

School Director, Dave Siciliano. It is expected that Mike will sign a contract for the Toronto Maple Leafs and has an excellent chance of joining Poddubny for the 1984-85 season.

Degagne, a standout minor player in Thunder Bay, has played the last two seasons with the North Bay Centennials of the Ontario Hockey League.

Degagne had a fine season scoring 61 points while only playing 37 games because of injuries. DeGagne's second effort has always earned him high praise and excellent results in every league he has played in. Rob was one of the first counsellors at the school and now graduates to an instructor.

Cava played his minor and junior hockey in Thunder Bay and then accepted a four year scholarship at St. Scholastica College in Duluth. George was a very integral part of the team's success, graduating to play in Italy for the past two seasons. He has been involved in teaching hockey in Italy and wants to continue playing while instructing.

The school has four sessions; July 23-28; July 30th - August 11th; August 13 - 25th; and August 27 - September 1st (a one week ad-

vanced skilled programme for all-star calibre players).

The programme is a full day, including three hours of ice time, one hour of physical fitness, a classroom session, plus a lunch break daily.

There is still room in some of the sessions, so call 577-4465 or write: Superior Hockey Schools, 672 Strachan Cres., Thunder Bay, Ontario, P7C 5K8 for a brochure.
