LSBE Chairman Contests

Liberal Nomination

Michael Reid of Schreiber has announced that he will seek the Liberal Nomination for the Lake Nipigon Provincial Riding. The convention is scheduled for Sept. 29, in Red Rock.

Mr. Reid was born and raised in the Fort Frances, Atikokan area. He has resided in Schreiber for the last 17 years and is employed by the Thunder Bay District Health Unit as a Health Inspector. Currently the Chairman of the Lake Superior Board of Education, he has been a Trustee for the past 13 years.

Mr. Reid is a past President of the Kinsmen Club of Schreiber, past President and currently vice-President of CUPE Local 1759, and as mentioned a long time trustee on the Lake Superior Board of Education. He has two brothers who were Federal and Provincial Mem-

bers of Parliament and he has spent the last 16 years actively involved in their election campaigns.

Mr. Reid feels that his

activities, experience and dedication over the last 20 years make him an excellent candidate for the Provincial Liberal Party.

Mike Reid

Terrace Bay May Get
New Fire Truck

Prior to the commencement of regular business at the Terrace Bay Town Council meeting September 10, a meeting with the Fire Department and Mr. Gordon Hughes of King-Seagrove Ltd. was held to discuss the matter of a new fire truck. The film "Bleve" was also shown during this time.

Two types of trucks were discussed based on a presentation regarding the capabilities of a "snorkel" truck and a "telesquirt" truck. More information is required in order for town council to decide if they will purchase one of these trucks.

Mr. W. Papineau, Dog Control Officer, reported to council that there have been few calls during the summer. His phone number will be published in the local paper to make people aware that he is available to deal with dogs who are at large.

Council approved a reduction of 1984 taxes for Mr. R. Williams, Mrs. M. Hamilton and Mrs. M. Hanley according to Section 496A of the Municipal Act. Berglund Industrial

approval of a proposed routing of a water line to service their new premises. Council approved the construction and connection of a one inch p.v.c. water line to supply the Berglund Industrial building site on Mill Rd. as proposed by them. All construction is to be at the owner's expense and the connection is subject to inspection and approval by the Township.

Jack Stokes, MPP, requested endorsement of a resolution presented to the Ontario Legislature by Jim Foulds, MPP, regarding OHIP coverage of medically necessary travel costs. The legislature approved of the resolution in principle however Health Minister Keith Norton did not consider the implementation of the resolution to be a priority. Terrace Bay Council resolved to petition the Government of Ontario to implement the OHIP resolution.

Two councillors have been authorized to attend the Crime Prevention Seminar sponsored by the Thunder Bay Police Department No-

expense of the municipality.

Council declined to make a donation to the Ontario Municipal Management Development Board.

The Municipal Police Authorities requested acceptance or rejection of a proposed membership fee increase required to make the organization more efficient. Council had no objection to the increase in membership fees to \$16.75 per staff member of the Force.

The local Girl Guides requested a donation in kind to assist with the hosting of a training session and annual meeting to be held in Terrace Bay involving some 200 visiting delegates. The donation was approved.

Council will be contributing to the Birchwood Terrace cookbook in the form of an advertisement. Proceeds from the book will go to a new bus with a wheelchair lift for the residents.

Commerce Northwest was refused a requested donation of \$100 to \$500 to assist in their operations.

Two members of

to attend the District 3 Ontario Municipal Electrical Association fall conference in Thunder Bay, September 23 to 25.

The Township will be advertising for the position of equipment mechanic for the Public Works Department. Councillor Ramsay objected to the resolution approving the advertisement as he feels that a mechanic is not necessary, however the resolution was carried.

The possibility of creating a separate class of tax assessment for seasonal residences in Terrace Bay in order to reduce the share of service costs borne by these people will be investigated.

The Township of Terrace Bay will request funding from the Ministry of Municipal Affairs and Housing Action '85 Program for implementation of a computerized accounting system employing the principles of the Ministry's Basic Accounting Package (BACPAC).

The statements of disbursements for the Township were approved in the amount of
