In Town Dump

Can anyone tell me if there is an "inside the town" dump? In the wooded area behind Birch and Poplar, that's

what it looks like, since some residents are using this area as a dump. Everything is being put down there, from grass clippings to paper, bottles and everything else that should go out in regular garbage pick ups.

It's a nice wooded area where children spend a lot of time playing and others walk through there, but at the rate that garbage is being dumped it won't be fit for anyone. It's also the same garbage throwing about

from the box car crews. They throw it in the woods as well. I guess there is no pick-up for them to use.

Another issue is that one person on Birch does not see fit to cut firewood in the areas

where others do. Instead he cuts it in this same wooded area. Between the trees being cut down and garbage being pitched, soon there will be just another polluted area.
J. Smith

Out of Work?

You could profit from our services!

The ONTARIO CAREER ACTION PROGRAM (OCAP) can give you the work experience to start you on the road to your new career. OCAP trainees 16-24 years of age are placed in business and industry and paid through Confederation College -- earn while you learn.

More than 70% of OCAP trainees are successful in obtaining jobs at the end of their training.

Christmas Break

Jamboree Needs Billets

The North Shore Recreation Director's first Ringette Jamboree has been set for November 23, 24, 25, 1984 with this year's host community being Terrace Bay.

An Introductory Clinic, presented by the Ontario Arena's Association is scheduled for Saturday morning November 24th. This clinic includes off-ice and on-ice clinics and training sessions covering games, rules, refereeing, etc., to introduce the game of Ringette to all involved. We expect teams from some towns who do not now have a Ringette club and with the information obtained from attending the Jamboree, these participants will be able to form their own club when they return to their own communities.

Games are scheduled one per hour on Saturday from 11:00 a.m. to 8:00 p.m. and on Sunday from 9:00 a.m. to noon with a skills session prior to each game.

Teams will be selected at random from team lists submitted, and will include experienced as well as novice players.

On Saturday when the girls are not involved in Ringette, they will participate as a team in the following activities: novelty Bowling, Video Game Challenges, Weight Room usage for off-ice fitness exercises. Two meals provided are Saturday Supper and Sunday Lunch. After lunch Sunday, awards will be presented and each participant will receive participation awards.

To date, we have a confirmed attendance of at least 100 out of town girls. Where will we put them? We have been advertising continually our need for homes, to assist us by accepting a billet (or billets) for Friday and Saturday nights November 23 and 24th. To date, we have received enough response to billet less than half of these girls, and the jamboree is only four weeks away! Our "urgently needed" status is upgraded to "desperate." Please, if you can offer your home

for two nights accommodations and provide two breakfasts, please call 9085

anytime, 3280 after 5:00 p.m. or the Recreation Office at 3542.
