Terrace Bay Bowling Association

The Terrace Bay Bowling Association has finished its 1st month of bowling with very good results.

The closest competition is being fought in the Kimberly-Clark Men's Division where the last place Horseshoes are only 7 points behind last years league playoff champions, the Pin Busters. It should be noted that the Horseshoes, who have run away with the series championship the last 2 years, are now ready to make their move to the top.

The Men's High Single goes to Mike Koshowski with a 310 and Paul Moon holds top High Triple with a 716.

In the Jim Mikus Mixed League, first place is being fought between the A team (last years consolation winner) and the Rollers. The High Single for the men goes to Miles Borsa with 324 and the Ladies' High Single goes to Adey Daley at 278. The Men's High Triple belongs to Chris Petersen at 711 and the Ladies High Triple goes to Lea Falzetta at 673.

The Molson Ladies' Evening League has the Sure Shots on top with the Bloopers only 3 points behind. The High Single presently goes to Amanda Morissette at 286 and the High Triple goes to Lea Falzetta at 672.

The Ladies' afternoon league have the Dusters way out in front but I have been told by the Sweat Hogs and the Hair Pins that they may be seeing a little dust right now but by this time next month they feel they will be in first place and the Dusters will be eating their dust. High Single is presently held by P. Jones at 278 and the high triple is being held by Adey Daley at 677.

All bowlers please note, the CP Air Hi-Low Doubles Tournament commences the week of November 5th. Please see your chairman for more information.

Better Late Than Never

The Terrace Bay Ladies Fastball League held their wind-up Aug. 25, 1984. After supper presentations were awarded as follows: Team Mate of the Year Awards to individual teams went to Wendy Pluta for Leo Levesque, Cathy Cook for Janod, Virginia Stortini for Kodila's, Tracy Stachiw for Royals and Judy Davis for Moore's. The Most Valuable Player of the League award was presented to Judy Davis.

"A" Division winners were the Janod team. "B" Division winners went to the Moore's team.

A special trophy for "Most Dedicated Person in the League" went to Helga Hermes, President of the league, who eventually ended up secretary, treasurer, fund raiser, schedule keeper and publicity, all in one to keep the league going.

An "Appreciation Award" was presented to Mrs. Jean Fisher for the many years as an active member of the league. A letter of gratification was sent to the league from Jean on part of her Appreciation Award.

It reads as follows:
Dear Ladies,

As some of you know this sport of baseball has been special to me over the years, as to how many, I have come to the conclusion that perhaps it has been over twenty-five years or more, with time out for each of my pregnancies. Even though there's been an age difference and I am a grandmother, you all have made me feel welcome and I consider this a privilege and honor to have been able to play baseball with you all. It was a lot of fun and you all were great. I just love the beautiful, "Appreciation Award" you bestowed upon me. I am only sorry I was not able to be there, to receive it. It was very thoughtful and kind of you all to consider me for this award.

Yours truly,
Jean Fisher.

After presentations, the wind-up was then followed by a dance. It flopped.

It was not a very good year of participation from the league members, but hopefully next season will be better.
