Centre Ice with a Difference

Unfortunately the black and white photo above does not do justice to the Schreiber Logo which Joy Riley has painted at centre ice in the Schreiber Arena. It is worth a trip to the arena to see the bright blue Lake Superior, green bottom and grey

train.

The size of Joy and Reeve Fischer in the photo give an idea of how enormous the task was. When she was praised by Reeve Fischer and Rec Director Ron Larivee, Joy insisted that she couldn't have done the job with-

out the co-operation she received from Morris Zaporzan. She also named Bruce Richardson, Ron Larivee, Shannon Riley, Randall Kushnieryk, Phyllis Luke and George Riley as having given assistance as well.

Ten year pins presented

The McCausland Hospital held its Annual Long Service Awards Banquet on October 20th, 1984, at the Royal Canadian Legion Hall.

The event was very well attended and very successful. Honoured at this Banquet were Mr. Donald Ross, Executive Director of the Hospital who received his 5 year pin, Mrs. Alice Chepelsky, RN and Mrs. Irene Kettle, RNA, who received their 10 year pins.

The presentation to Mr. Ross was made by Mrs. Shona Patriquin, Vice President of the Board of Governors of The McCausland Hospital, who in good humour suggested that the Executive Director should develop a policy that he not have to wait another six and a half years to receive his 10 year pin.

The Director of Nursing, Mr. Aurele Piche thanked Alice Chepelsky and Irene Kettle for their dedicated and long service to the Hospital and introduced Mrs.

Nancy Wilson, Co-ordinator of the Home Care Program, to present their pins. Nancy, on behalf of the Hospital Board, expressed in both French and English sincere thanks to these two exceptional ladies who have serviced the Hospital with a unique blend of dedication and compassion.

Mr. Mike Moore, President of the Board of Governors, thanked all staff present for their fine effort and contributions to the Hospital during the past year and congratulated them on their achievement and effort which resulted in the Hospital being granted a two year Accreditation Status from the Canadian Council on Hospital Accreditation. He emphasized that only through team work will quality patient care be achieved.

An excellent job as M.C. was done by Board Member Gordon Moorey.

Following the Banquet, Partie Sound provided music for the

Irene Kettle and Alice Chepelsky were honoured at the Long Service Awards Banquet of The McCausland Hospital. In photo, left to right are: Irene Kettle, R.N.A.; Gordon Moorey, master of ceremonies for the evening; Don Ross, Executive Director of the hospital; Alice Chepelsky, R.N. and Michael Moore, Chairman of the Board of Directors of The McCausland Hospital.

dance. The Board of Governors of The McCausland Hospital considers this annual event, the Long Service Awards Banquet and Dance one of the major highlights of the year. It gives the Board an opportunity to thank those people who have provided long and dedicat-

ed service to the Hospital. The Hospital is a labour intensive industry and it is only through the dedication, hard work, and compassion of its employees that we attain the level of quality of care for the people of Terrace Bay, Schreiber and Rosspport.

Arthritis campaign raises over \$6,000.00

The Arthritis society recently completed another successful campaign. Many volunteers canvassed in the area, realizing \$6,124.25.

Organizers of the

campaign were Chris Gournier, and John Power who looked after Schreiber, Ray Kenney who worked in Rosspport and Pays Plat and Irene Kettle who head-

ed the Terrace Bay campaign.

In our area there are more than 350 people afflicted with arthritis.

Remember, if it hurts see a doctor.
