Scouts hold annual meeting

Scouting is alive and well along the north shore. That was the message given at the annual meeting of the Lake Superior District of Scouts Canada held in Marathon on November 18th. Incoming President Ernie Chiasson of Marathon explained that he and the executive were fortunate to have a strong network of volunteers helping Scouting flourish in Schreiber, Terrace Bay, Marathon, Manitowadge and White River.

Besides Mr. Chiasson, the other officers are Vice-president Bob Hopper of Terrace Bay,

Secretary Edythe Cosgrove of Schreiber, Treasurer Don Pawlett of Terrace Bay, Badge Officer Howard Ambury of Manitowadge and District Commissioner designate Gordon Moorey of Schreiber. The delegates also appointed Wilard Coburn of Manitowadge and Carol Vien of Marathon as District Service Scouters along with Ernie Chiasson and Don Pawlett.

Scouting provides programs for almost 250 boys along the north shore under the leadership of over 70 adult volunteers.

The regular monthly meeting of the Catholic Women's League was held on Monday, November 12.

The meeting was opened with a prayer and a Scripture Reading. A moment of silence was then observed for all those who had died in the two World Wars.

Lillian Belliveau reported that we now have a membership of 163.

Claire Roen, our Pro-Life representative thanked all those who sold and purchased Pro-Life memberships.

We will be having our annual Christmas Celebration again this year. It will begin with a service in the church followed by a pot luck supper, mini penny auction and possibly some entertainment. For more information regarding date, time etc., please watch the Sunday Bulletin. Members will also be contacted by their

team captains. Anna McKie and Diane Polesky, Bazaar Convenors, presented the final Bazaar report for 1984.

The Bazaar was a huge success once again, thanks to all those who worked at and attended this, our major fund raiser.

The meeting was closed with a prayer and adjourned. We were then pleased to have as our guest speaker, Mr. Don Leslie who spoke on Depression and Anxiety. He discussed the various causes and treatments of these serious problems. The presentation and the following question and answer session were in formative and completely enjoyed by all.

Toastess Kettles Recalled

Owners of Toastess electric kettles, model number 750, should check to make sure there is no water leakage from the bottom of the unit, according to Canadian Standards Association.

If any water leakage is evident, owners should immediately stop using the kettles. The manufacturer requests that the units be returned either to the retail out-

lets where they were purchased or to the following address for replacement: Toastess Inc., 815 Tecumseh St., Pointe Claire, Quebec, H9R 4B1.

CSA advises that as a result of a manufacturing defect, water can enter the base of the unit causing the electrical connections to corrode, creating a shock hazard.
