Christmas memories

As I decorate the Christmas tree
With treasures ever dear
My thoughts are of my loved ones
The folks no longer here
The funny little old Santa
We've had for many a year
I place near the top of the Christmas tree
As I shed a foolish tear
The holiday season is wonderful
We're as happy as can be
But my heart does ache for the touch of a hand
Of the folks we no longer see
The lights and silver tinsel
Thee angel on top of the tree
Bring memories of Christmas past
And the folks who were very dear to me.
