**THUNDER BAY TRAVEL**

## THANK YOU

I wish to thank Drs. Adey & Lau Nurses & Staff of the McCausland Hospital for their kindness and care. Many thanks to all for your cards and flowers.

Lilian Kells

## Immunization up-date

Because of recently confirmed cases of polio in Finland, the Thunder Bay District Health Unit is advising the public to check that their immunization is up-to-date. Travellers who have been to Finland within the past two months, and those planning to visit Finland, are particularly urged to consult their family doctors or attend a Health Unit immunization clinic.

Also, anyone who has hosted visitors from Finland within the past two months should check on their polio immunization status. Protection against the virus is provided by a series of four shots scheduled over a year and then a booster shot every ten years. Ontario school students receive

their immunization from health unit nurses on a regularly scheduled basis.

In Thunder Bay, immunization clinics are held at 300 North Lillie Street, second floor, every Wednesday afternoon from 2 to 4 p.m. The clinic is also open from 6 to 8 p.m. the first and third Wednesday of every month. In Terrace Bay, the public may contact their family doctors, or the health unit sub-office for appointments.

Although the polio booster shoot is generally acknowledged as being effective for ten years, anyone travelling into a problem area who has been more than five years since a booster might wish to be re-vaccinated.

## The Terrace Bay Public Library

requires

## PART TIME LIBRARIAN

Previous library experience an asset but not necessary. Applicant must be able to type. Please apply stating qualifications and previous experience by March 4, 1985.

Apply to:
