

Schreiber Council Report

Council present: Reeve: H.H. Fischer
Councillors: T. Quinton
M.L. Cosgrove
E. Borutski
W. Hiller (absent at work)
Staff Present:
A.J. Gauthier - Clerk-Treasurer
D.L. Davis - Engineering
P. Doig - Fire Chief - Building Inspector
R. Godin - Asst. Clerk Treasurer
R. Harris - Road Superintendent
Delegations

Mr. K. DesRosiers, of the Ministry of Municipal Affairs & Housing Planning Branch, was on hand to present to Council, information concerning the preparation of an official plan for the municipality.

He stated, that the Official Plan, is a statement of the Goals and Objectives of the Municipality, insofar as the future development of the Township is concerned. It would provide an opportunity to develop the land to its optimum use, and would ensure, that future development takes place in a planned manner, according to an overall grand design.

He pointed out, that at the present time, there is a 50 per cent grant available from the Ministry of Housing, to assist the Township, along with assistance towards the cost of printing the plan documents.

Council questioned him concerning various aspects of the procedure required to enact an official plan. It was indicated to Mr. DesRosiers that Council would give the matter further study before, making a decision as to the advisability of enacting a

plan. Mr. DesRosiers promised to forward more literature, and some indication what the cost of enacting a plan would be.

Mr. M. Jones, of Parks Canada, was on hand at the request of Council, so that various activities at Pukaskwa National Park, and the Centennial Celebrations of the Township of Schreiber, could be co-ordinated if possible. He was interested in placing various promotional items in the Township, at the time of the Schreiber Centennial. Items such as the sponsorship of the Wakami Wailers, by the four Municipalities near the park, the promotion of the fact that the CP Rail 100 year old train will be in Schreiber, during Centennial Week, were discussed. Also discussed was the timing of the Schreiber Centennial Celebrations, and Parks Heritage Awareness Week.

There was a general spirit of co-operation, and it was felt, that the Parks people and the Centennial Committee, could work together to their mutual advantage.

Business Arising From the Minutes

Clerk advised Council, that Mr. Kushnieryk, has inquired through his solicitor, as to the possibility of the Township enacting a by-law amending the zoning by-law, to allow him to construct a house on his property at Walker Lake. Council indicated that it would consider the matter, providing he has obtained approval of the Ministry of the Environ-

ment concerning the proposed septic tank installation.

Recent information from Mrs. L. Fournier, would indicate that a claim may be forthcoming to cover expenses arising out of an incident at the Recreation Complex.

A meeting concerning E.M.O. matters will be held in the near future.

Reports of Committees:

Engineering Report:
Roads: no subsidy allocation has been received as yet from the Ministry of Transportation. However, tentative priorities have been set for the construction program this year.

Water: The M.O.E., are continuing to apply soda ash, and will do so for this year. The M.O.E. will be asked to comment on the effectiveness of the program. The Township have advised the M.O.E. that they will accept the cost of the soda ash application for this year, on a trial basis.

Property: Final plans and documents have gone to M.O.E. for approval covering the installation of water and sewer lines in the R-271 subdivision. D.L. Davis, requested that a Design and Construction Committee be formed to provide input for the construction of a new Fire Hall.

The Township will be making a submission to the Hydro sponsored Energy Audit Program, for an analysis of the heating system performance in The Municipal Office and Medical Centre.

Safety: It has been recommended by the Safety Committee, that the Township encourage employees to take outside training to learn manhole entry techniques.

Reports of Committee
Roads: The Committee recommends that application be made by the

M.T.C., for subsidy funding to cover the cost of paving Winnipeg, Peary, Langworthy East, Ethel St., and that the Township share of the costs, be taken from reserve funds. Engineering Dept. requested to begin preliminary plans for the correction of drainage problems, north of Highway, and west of Cook Creek.

Water: The Committee recommends, that the installation of water and sewer line laterals, to vacant lots on Peary St. be done, in anticipation of the proposed paving program. Discussions were held concerning the possibility of installing a standpipe at Walker's Lake to provide better fire emergency water for the area.

Building Committee

The necessary steps are to be taken, to charge those persons known to have violated provisions of the building permit by-law, and who have failed to obtain a permit, or failed to comply with the building by-law or the zoning by-law as it relates to zoning. Clerk requested to draw up a schedule of times of inspections applicable to those persons who have taken out building permits. This information is to be provided to building permit applicants, for their information and guidance.

Recreation Committee

Because of the poor activity in the games room during the week, the Committee is considering the closing of the room weekdays, and opening only during the weekend. The Recreation Co-ordinator, has been requested to continue to work on the winter carnival.

Work has been completed on the main hall floor, and the new dishwasher has been installed.

The Committee re-continued on page 11

Bits and Bites

by HELENE BALLARD

Hello. It's time again for more chit chat, and as I write this morning it's so foggy I can hardly see the hospital. Sure glad I don't have to go out today.

This is really a dull time of year, not much to write about. I guess we are all

anxious for Spring, and now that Lent has started it seems that Spring and Easter are not far away.

Last Saturday, Feb. 16th we had an evening of "Modern Music" a real "Saturday Night Live" with the "Outlaws", Jack, Damian and Larry. We wish to thank these young men for taking time to come and play for us, it was most enjoyable.

On Thursday, Feb. 21st the Ladies Auxiliary of the Canadian Legion hosted an afternoon of Bingo for the residents and it was indeed a nice way to spend a dull day. We are very grateful to the Ladies for all their efforts on our behalf.

Don't forget to get your tickets for the beautiful queen size quilt, made by the ladies of Birchwood Auxiliary, which will be drawn at our Strawberry Tea June 25th. Peggy Thompson, and Pam Jones have tickets. Good luck.

Until next time think this over: A foreman was making an inspection tour on a large building site when he

came upon a worker hanging upside down on a beam, you see he thought he was a flashlight helping his co-worker to see, whereupon the foreman ordered him down and told him to collect his time as he was fired for being drunk on the job. Then the other worker picked up his tools and started to leave, the foreman said, "Wait, I did not fire you" to which the worker replied, "If you think I'm going to work in the dark, you're crazy." And now, that's it for this week as I have no "Bite", so I say "Au Revoir."

Women and disabilities conference

There will be a meeting in Terrace Bay on March 7 to discuss the results of the Ontario March of Dimes survey regarding concerns of women with disabilities in Northwestern Ontario. Also being discussed will be the plans for the upcoming May conference on Women and Disabilities being held in Thunder Bay.

The Terrace Bay meeting will be held at the Community Recreation Building from 11:30 a.m. - 4:00 p.m. Anyone interested, please contact Wave Watson at the Ontario March of Dimes, Community Development Office, 209-211 Van Norman Street, Thunder Bay, 345-3522 (collect if necessary).

THANK YOU

Thanks to my family for the lovely flowers, and to relatives and friends for their visits and cards while I was in the McCausland Hospital. Also thanks to Dr. Adey, Dr. Wilkes and the Nurses and Staff.

Esther Birch

Service: Sunday 7:00 p.m.
Rev. Bill LeGrand 824-2275 Rev. Sharyl Marriott-Lowry 825-3396

Rosspport Notes

By ANNE TODESCO

Nine members recited the opening prayers at the meeting of the St. John Berchmen Altar Society Tuesday evening at the president's Miss Beverly Legault's home. In place of a scripture reading, Beverly read an interesting description of the Lord's Prayer.

Laura Legault presented a report on the consumption of the Altar Society's pins, that are being made by a Winnipeg firm, and we hope to have them ready for delivery in the near future.

A set price was instituted to purchase an article to use as a draw prize, to be drawn on Derby Day. The president agreed to shop around for something in the musical or radio shops.

A report was heard on the public and home bingos

for the past month. Some proved very satisfactory, while others were very low, profit wise.

A discussion was had on the consumption of oil by the church furnace, but by comparison with others who use oil for heating, it was found that the increase in volume was more or less equal to other consumers.

Members are to bring ideas to the next meeting of ways to raise funds for incidentals.

Following the closing prayers the hostess served a luncheon and a social hour was enjoyed. Mrs. Doris Legault has returned from Thunder Bay after visiting her sister Rena the past week. Mrs. Mary Schelling is home from the McCausland Hospital, in Terrace Bay.

BIRTH

Doris and Burt Latreille are pleased to announce the safe arrival of a son,
Robert Gordon Warren
9 lbs. 3 oz. on Feb. 3, 1985 at the Calgary General Hospital. A brother for Phillip and Julie. Proud Grandparents are the W. Latreilles and Gordon McParland of Schreiber.
