

# Your Opinion

We asked a few people around town what they thought of the beer strike, if it's affecting them, and if they bothered to stock up.

**Maureen McDonald:**  
"I didn't stock up" says Maureen, "I only drink beer when I'm out socializing, so I hope it doesn't last long."

**Dennis Gervais:**  
"I didn't stock up because I really didn't think they'd strike", said Dennis, "I'll just try to make the best of it" he told us.

**Doug Davis:**  
Doug doesn't mind at all, he likes whiskey just as much as beer.

## Police Report

Terrace Bay

### Know your limit

One Motor Vehicle Accident, damages under \$700.00 was investigated, the guilty person involved had left the scene and no charges laid as yet.

Several tickets were issued to owners of vehicles regarding Municipal by-laws.

A constable attended Terrace Bay Beach regarding a party involving an open fire. All persons were dispersed and Fire Department called to extinguish fire. In future all persons involved in such disturbances of this nature will be charged accordingly and will be made responsible for the costs involved in calling the Fire Department.

An officer was called out regarding a prowler around private residences. No one found in the area upon the constable's arrival.

Assistance was given to the Hospital in locating one of the doctors for an emergency.

One transient male was checked out by police and found to be in Breach of Recognizance regarding criminal charges in Sudbury. The subject was charged accordingly and conveyed to Thunder Bay where he received a Conditional Discharge with three months' probation.

The Department was involved in one Domestic Dispute this week.

One complaint of Fraudulently Obtaining Lodging was received and is still under investigation. A stolen licence plate

was reported by one of the local business establishments.

An officer assisted the Schreiber OPP in executing a Search Warrant involving stolen property.

One Search Warrant was executed in Terrace Bay by our Force regarding a Theft Over \$200. Unknown as yet what charges will be laid.

One complaint regarding a property dispute is still being dealt with.

During the week of March 18th the Terrace Bay Police Department in conjunction with Kimberly-Clark Canada Ltd. and the Royal Canadian Legion, Branch 223, will be sponsoring two Public Information Sessions dealing with Drinking and Driving. The public is encouraged to attend the sessions which will be held at 7 p.m. on Tuesday, March 19th at the Terrace Bay Legion, and the 2nd session Thursday, March 21 at 7 p.m. at the Terrace Bay Recreation Centre.

At the sessions there will be two films. The first film is titled "So You Think You Can Drink and Drive" and the second "Make Sure It Isn't You." In addition to the films there will be a demonstration on the new Roadside Alert recently purchased by the Terrace Bay Police and on the Breathalyzer.

Several informative handouts concerning Drinking and Driving will be available and a discussion will follow. Tea and coffee will be available.

A special session will be held for the High School students. This is planned for Wednesday, March 20th at 4:15 p.m. For details, contact Mr. L. Fraser. Arrangements are being made for late buses.

These sessions are hoped to be informative and your participation will be appreciated.

Special thanks to the Royal Canadian Legion, Branch 223 and to Kimberly-Clark of Canada Ltd. for their continued support.

#### Know Your Limit

If you plan to drink, then drive, learn your limit and stay within it. This chart is not a guarantee - the amount of beverage alcohol needed to reach a specific blood-alcohol level varies in people. A driver is guilty of an offence under the Criminal Code of Canada when the percent of alcohol in his blood reaches the .08 percent level. Moreover, a person may be guilty of the separate offence of impaired driving even though the percent of alcohol in his blood is less than the .08 percent level. The table shows the relationship between number of drinks (normal adults) and safe limits. If your weight is between two of them, use the lesser.

**Note:** What you drink doesn't matter. There is as much alcohol in a 12 oz. bottle of beer as there is in the average drink of whisky or wine.

OPP

### Weather the winner

The weather was obviously the winner during the past week as snow was dumped on the North Shore Highways.

On Sunday, February 24th, 1985, Peter Armstrong, age 25, of Schreiber, lost control in the snow and struck a guide post, east of Schreiber. The vehicle was totally damaged.

Slush again was a factor in an accident Monday on Highway 17, when Trevor Roberts of Terrace Bay was in a collision with a vehicle operated by Robert Pattison of Schreiber. When attempting to pass the Pattison vehicle, Roberts spun around and the vehicle struck, carrying both into the south ditch. Damage was estimated at \$2600 to both cars.

On Tuesday, the 26th of February, the 1982 Chrysler operated by William Bodnaryk of Marathon received approximately \$2000 damage to the front end when he lost control in the slush and struck 4 guide posts west of Rossport. The driver was not injured as a result of the collision.

On the 28th of February, 1985, property valued at \$5800 was recovered from a residence in Schreiber. As a result of information received, a Search Warrant was executed. The property was taken in a theft which is under investigation by Longlac Detachment.

A Schreiber resident was charged with operating a snowmachine on Walker's Lake Road without holding a driver's licence. He was issued a Provincial Offence Ticket with the option of paying out of Court. If you operate a snowmobile on a street or roadway the machine must be

registered, insured and the driver must hold a driver's licence.

Police assisted following a complaint of a subject acting in an unstable manner. The subject was conveyed to McCausland Hospital for assessment and committed to the Lakehead Psychiatric Hospital in Thunder Bay.

A Search Warrant, ex-

ecuted at a Schreiber residence, revealed a quantity of narcotics. One male subject was arrested and has been released to appear in Provincial Court.

With the March Break fast approaching and everyone packing their bathing suits to head for sunny climes, have you considered that to do with

### HUARD

In loving memory of our son and brother Roy, who passed away March 7, 1978.

Ever remembered, ever loved  
Sadly missed by the family

### In Loving Memory of Chester Dakin

who passed away March 1, 1979.  
As the years go by,  
We often sit and wonder why.  
Why the good Lord took you above,  
From the family with so much love.  
Though the distant is far beyond,  
In our hearts you are never gone.  
Time and distance will never part,  
Because you are always in our hearts.  
Kim, Rose Marie, and family.
