Serving Terrace Bay, Schreiber and Rossport 35¢

Ontario Winter Games

Local people participate

The Ontario Winter Games will be held March 14th to 17th in St. Catharines. There will be 7 regions taking part in the Games, and the competition will be stiff and exciting. If you plan on going down, be sure to check in on the badminton games, as Terrace Bay will be well represented. Donna Shynkaryk of Terrace Bay is one of the contenders, and she shows great potential to win.

Donna is studying at Confederation College in Thunder Bay, where the Northwestern Ontario Badminton team holds most of their practices. Donna won the North Shore championships last year, and placed among the winners in the two Junior Badminton Tournaments earlier this year, she also excelled in the qualifying tournament, therefore earning a place on the N.W. Ontario team.

Also travelling with Donna is Jim Corrigan from Terrace Bay. Jim is highly respected on the Ontario badminton circuit, being named player of the month (Nov./Dec. '84) and as Regional Director for the Ontario Badminton Association. He has much tournament experience, which will be of great help to the Northwestern team travelling to St. Catharines.

Jim has spent a lot of time with Donna, improving her game and plans to keep a very close eye on her and her opponents at this upcoming competition. Jim will be spending his time helping all members of the team with last minute strategy and tactics to best defeat their opponent. With Donna's skill, and Jim's guidance it should make for a winning combination.

They will be returning just in time to take part in the District Championships

to be held in Thunder Bay, March 23 and 24, after which Jim will return to Terrace Bay, and will be concentrating on sparking people's interest in badminton in this area.

Terrence Bay will be hosting the North Shore Championships at the end of April, which should prove very exciting. Jim is looking for sponsors to donate trophies, as he is organizing an annual Terrace Bay Invitational Tournament. He has worked hard and travelled far to reach his success and now has close contacts in the

badminton association which will greatly benefit the standard of play in this area. Jim plans on inviting many of these experienced players to Terrace Bay to help him with clinics and workshops.

Jim and fellow badminton players get together every Monday at 7:00 p.m. and Thursday at 8:00 p.m. in the Terrace Bay High School to play, and he invites all interested persons to come out and join them (I think he may be looking for another Donna Shynkaryk).

Fire update

Last week we reported of the fire at the former gas station at Jackfish Lake. Not only was it a former gas station, and restaurant in the summer but the home of Mr. and Mrs. Desmond Miller. Mr. Miller believes he lost close to \$200,000, and the saddest part 2 of their 3 cats.

It may have been a blessing that Mrs. Miller was out of town at the time, as Mr. Miller escaped with not too much time to lose. The fire somehow started in the pop machine at the front of the building.

Mr. and Mrs. Miller seem to be getting along o.k. now, luckily they still have their trailer which they have managed to make quite comfortable. They intend to get building right away so as to be opened as usual for their summer business.

We admire their strength and determination and wish them the best of luck in the future.

Friendship meeting

The Canada-Taiwan Friendship Association will be making a slide presentation on Taiwan in the Terrace Bay High School on Thursday, March 21, at 7:00 p.m. Everyone is welcome. This will also be an opportunity for students and parents interested in the Association's summer student exchange program with Taiwan to ask questions and pick up application forms.

Mr. Stan Greenwood, Constable Russ Phillips, and Mr. Al Chisholm, sponsors of the Drinking and Driving Demonstrations.

So you think you can drink and drive

If you have a car and drive it, and if you take a social drink now and again, you should please read on.

The Terrace Bay Police Force will be holding a session on Drinking and Driving this March 19th and 21st. The force believes in educating the community in this most serious offence.

Constable Russ Phillips of the Terrace Bay Detachment is very interested in

this project and has taken it upon himself to present this information to the public. He will be showing 2 films, "So You Think You Can Drink and Drive", and "Make Sure It Isn't You", as well as Roadside Alert and Breathalyzer test demonstrations.

Drinking and driving is most certainly a horrifying experience, especially

those who think they are capable of controlling themselves no matter what the case. Constable Phillips intends to teach us all our limits.

In this part of the country, where buses are practically nil and taxis scarce, most of us do not think twice about getting behind the wheel. It can be very dangerous to walk home drunk at this time of year,

but consider the possible tragedy of driving in a drunken state. We all must learn to depend on each other in situations of indulgence, and practice moderation.

Join Constable Phillips at the Legion, March 19th and at the Terrace Bay Rec. Center, March 21st for this most informative and interesting demonstration.

Mr. Stan Greenwood of the T.B. Legion and Dick Hobin of the Red Dog Inn, among the sponsors of the Drinking and Driving Demonstrations.

Road hockey at the Schreiber Winter Carnival.

What a save!!
