

Moose

continued from page 11
Joubert says they have attracted up to 230 people on the \$1000 jackpot nights. They hold a \$500.00 jackpot game every second Thursday. The proceeds are donated not only to the operating of the Moose Lodge, but also to Scouts, Minor Hockey and any non-profit organization who may need financial help. They hold a 50/50 draw with Birchwood Terrace. They have in the past been sponsoring a Pancake Breakfast, and the word is there will be more coming up.

Their first concern though is always the children. They will be getting involved in the Canada Day celebrations here in Terrace Bay by providing a Kid's Day at their lodge, which will also include log sawing, horseshoes, etc. for the parents. They hold a Christmas party for the Children of the Moose, supplying gifts and a Santa for 200 kids.

It was clear that the Moose is very active in the Community, and are working towards more involvement. They employ 3 full-

time bar attendants, a bar chairman and a janitor. They now boast a large and experienced dart league, and have an open dart challenge for any team wanting a little competition.

The Loyal Order of Moose is a fraternal organization, with lodges all over Canada, the U.S.

and the United Kingdom, as Governor Andy Lauzon says "Moose members are well received in any of these lodges." With someone as your sponsor, and \$20.00 in your pocket you can become a Moose member. There is an investigation committee, but with a Moose sponsor that is really a formality.

The Terrace Bay Community Credit Union has a new, expanded office. The office is bright and roomy and offers members privacy as well as possibilities for future diversified services.

The Terrace Bay Com-

munity Credit Union was first chartered on August 12th, 1949, and since that time has operated from at least 4 different locations, the first being Bill Bailey's basement on Pine Crescent.

The Credit Union has a

membership of 829, and offers a variety of services, ranging from savings accounts, direct deposit for Kimberly Clark employees, disability insurance and credit counselling.

The Credit Union

celebrated their grand opening by drawing a name from their list of members who would receive a lovely silk flower arrangement. The name was drawn by Gerry Boutilier from the Credit Committee and the lucky winner was Bridgete Samp.

Spanish River

Corrections

An update on the Spanish River train wreck of 70 years ago shows that the Toronto passenger trains were numbers 27 and 28 and the Montreal trains were numbers 17 and 18, not the other way around as we previously stated. Also, the passenger trains did not collide with the freight. The freight train was safe in the siding giving right of way to the passenger train. The accident occurred when the passenger train crossed the bridge, there was no collision.
