Minor Ball Program

We would appreciate receiving your comments

on the following change to Minor Ball in Terrace Bay. The Schreiber Recreation Department and the Terrace Bay Recreation Department hope to interlock their schedule to allow youngsters the opportunity to participate with others from a different league. The proposal would also extend the season. New leagues would run from June to August 15th. Divisions would be as follows:

- T-Ball - 5-7 - Boys and Girls
- Junior National - 8-12 Boys
- Junior Canadians - 8-12 Girls
- Senior National - 13-16 Boys
- Senior Canadian - 13-16 Girls

All these divisions would use a softball with no wind up allowed. The other divisions would be for boys interested in Hardball, they would be known as Senior Expos age: 12-16.

Give me a call and let me know your feelings on this change. We will also be setting a date in the near future to meet with interested adults. Talk to your youngsters and see what they think of the change. Please drop by the office or give me a call at 3542.

Youth Bowling League

The Terrace Bay Youth Bowling League held their wind-up dinner, Thursday April 11th with all 21 leagues members in attendance, along with their parents and guests.

The bowlers are 7 to 14 years of age and for most, this is their first try at the game. Reg Gagg, who along with his wife Ann organized the league says the young bowlers proved to be very talented. Reg and Ann hope they can continue the league next year.

Reg made up small trophies for all participants and the Terrace Bay Recreation Center presented achievement certificates. Reg and Ann also donated the first prize plaque to the "Bowler

Buster" team, which will hang in the Recreation Center. Also receiving prizes were Cindy Sopol for highest score 286, Tara Kralehling lowest score 40 (which Reg says is really not that low) and Wendy Sopol, Cindy Sopol and Stacy Wallwin who never missed a game.

Reg and Ann are happy to help these young people learn to bowl. It's a fun league with the only competition being improving your own score. A fun time was had by all at the dinner, with parents helping out bringing dishes of food, helping with set up and clean up. Terry Bryson, Recreation Director thanked Mr. and Mrs. Gagg for donating their time to such a worthwhile cause.
