

## Mixed bonspiel

The Terrace Bay Curling Club held their annual wind-up mixed bonspiel April 12, 13 and 14 with many teams taking part. There was much entertainment provided besides the fantastic curling, with a live band performing, refreshments served and hearty breakfasts and banquets.

The winning rink was Rick and Cheryl Hamilton and Bob and Teresa Roberts, all four coming away with trophies donated by Kodila's Home Hardware. Second place went to Bob and Linda Churchley

and Kerry and Ann Powell of Terrace Bay and third place went to Bill and Eunice Dubreuil with their

daughter Linda and her boyfriend Larry MacGregor of Manitowadge.

## Bits and Bites

by Helene Ballard

Hello folks!

I hope you nice people are all well. I guess that little thunder storm we had last night helped clear the air; it's really nice and warm out, I even saw geese flying north today so it looks like at last our long awaited spring has arrived.

We have had another nice week here at Birchwood. Last Thursday the 11th we were guests of Jean Marcella at the Terrace Bay Library where Jean showed us a film and then served us tea and cookies. We are most grateful to her and want to say "Thank you". Jean promised to try and have more of the same for us.

Last week we had our monthly birthday party for the residents who have April birthdays. We also had a penny auction. This always seems to be a crowd pleaser the residents always enjoy. On behalf of the residents I would like to thank our party hostesses

who were the C.W.L. of St. Martins Church. These ladies always give so much of their time and effort to do these things for our enjoyment, thank you ladies.

While I am thanking people please let me thank the Ladies Institute of Schreiber for their gift of apples. They were enjoyed by all here. We are always grateful for these gifts and helping hands given to Birchwood by our many friends.

Our activities director Joan LeBlanc is home and we hope she is feeling ever so much better after her surgery. Do hurry and get well Joan we look forward to having you back, we miss you.

Well, I guess our winter games are about over for another season so guess it's time for soft ball and baseball, so let's encourage our players, try and get out to watch our teams as often as we can and "good luck".

Thank you to the kind folks who brought us egg boxes for our plastic flowers, and keep them coming.

I was asked how come I have had no bites for a while, well when folks bring some to my attention I check them out and then write about them. So, if any of you folks out there let me know your bite, I'll write about it. My phone no. is 5-3690.

So until next week remember this: "Just when you think you can make ends meet, somebody moves the ends." Cheerio.
