**Dear Mr. Stokes:**

I would like to thank you for your letter of December 6, 1984 and for the material, (Profil de la langue francaise dans le district de Thunder Bay selon l'origine ethnique, etc. 1981) you sent in response to our efforts to gain French language CBLFT-TV service for the Terrace Bay-Schreiber Rossport and Jackfish area.

We would like to circulate a petition in the very near future to obtain the minimum 500 francophones signatures needed for our submission to the CRTC office. Our campaign on behalf of the French Club/Les Compagnons if going well. We will keep you up to date.

Yours sincerely,
