

Steel River crown unit open house

The Ministry of Natural Resources Steel River Crown Unit held an open house in Terrace Bay, Wednesday May 8th at the MNR offices here. The open house is designed as an information session regarding forest management on the Steel River Unit.

The District of Terrace Bay has included in its boundaries; Ontario Paper Unit with which the Ministry has a Forest Management Agreement, meaning the company cutting there plans for harvest, cuts and plants Big Pic Unit, whose plans for harvest must be approved by the Ministry and after the cut the Ministry is responsible for planting, Steel River Crown Management Unit, which is under control of the Ministry in regards to the planning for harvest and planting, thus the open house. Most of us are probably aware that the Kimberly Clark Unit operates out of the Geraldton offices of the Ministry, as most of their land falls into that District.

The Forest Management process is divided into three levels; the Management Plan, the Operating Plan and the Annual Plan.

The Management Plan is a 20-year document which

provides for continuity of forest management. It is the first step in developing shorter term plans. This document outlines management objectives and provides description of the land base, a summary of the productive forested land, an annual allowable cut calculation, a 20-year allocation of timber, and general silviculture and road construction guidelines.

The Operating Plan is a five-year plan detailing the forest operations that are to occur, and is the next step in carrying out the objectives of the Management Plan. This document in-

cludes a revision of the annual allowable cut calculation, a five-year allocation of timber and forecasts road development and silvicultural activities.

The Annual Plan is written yearly and states the actions that will be carried out during the year, to put the Operating Plan into effect.

Many people are directly affected by the harvesting, trappers, air companies who fly people into these remote areas, etc. but as we all live in the area we are all indirectly involved and responsible for the proper control of our forests.

The Ministry invites anyone with concerns and question to write to them by June 7th, 1985. Following analysis of all comments received, a Draft Operating Plan will be prepared. When completed, it will be available at the Terrace Bay and Manitowadge offices for public review. The Draft Operating Plan should be available to the public for review this September.

public school jump

Recently a "Jump Rope for the Heart" program was held in Terrace Bay Public School. This unique program promotes physical education and cardiovascular health while raising funds for the Ontario Heart Foundation. Physical fitness is important to all of us in helping to develop and maintain a healthy heart and cardiovascular system. "Jump Rope" is an excellent activity to improve agility and cardiovascular fitness levels for those who participate.

The actual "Jump Rope" is an organized activity in which teams composed of 3-6 students are sponsored for a two hour session through a pledge mechanism. The students of Terrace Bay Public School raised a total of \$3,710.80 through this "Jump Event." Beverly Hopper secured the most pledges, by returning \$160.07. The

top team was the Skippettes, 2 who raised \$506.45. Members of the team are Wendy Sopel, Brenda Moffat, Stacy Wallwin, Marsha Santerre, Sarah Ditchfield, and Kristen Bouchie. The grade 4 class raised \$1,100.25 making them the top class for returned pledges.

Congratulations to all skippers for a job well done, and thanks to the people of Terrace Bay for supporting this worthwhile cause.

Death

McCusig - Mr. Norman McCusig aged 69 years of Schreiber passed away suddenly at Sioux Lookout on Thursday, May 16, 1985. He was a lifetime resident of Schreiber and was employed by the CPR as a conductor retiring in 1976. Former councillor for the Township of Schreiber and member of the R.C.L., Elks, and U.T.U. He was also an avid golfer. Survived by his wife Beatrice, daughters Jeanne (Mrs. D. McKay) of Sioux Lookout; and Barbara (Mrs. W. McLaughlin) of Schreiber. Also survived by 4 grandchildren. Sisters, Alda (Mrs. H. Reid) and Barbara (Mrs. F. Tetty) Rested at the King Funeral Home. Funeral services were held on Monday at 2 p.m. from St. Andrews United Church. Interment in Schreiber Cemetery.

IN MEMORY

OF A DEAR MOTHER
Kathleen Wilkes

who passed away at the McCausland Hospital

May 17, 1984

Lovingly remembered by her family
Keith, Anne, Jessie and Robert.

Maxine Holland, St. Martin School teacher in Terrace Bay presents a check to Paul Caron, chairman of the Kinsmen walk-a-thon that took place last month. The students of St. Martin's raised over \$800, through many events.

Pukaskwa Nat. Park photo contest

National Parks across Canada are encouraging people to visit their parks and to help celebrate one hundred years of heritage conservation. These National Park centennial festivities include a wide variety of exciting activities and events featuring the parks unique natural and human history.

Pukaskwa National Park is encouraging visitors to enjoy their heritage by taking pictures of the park for a photography contest. Photographs entered in this competition must be taken in Pukaskwa National Park during the centennial year of 1985. Black and white or colour 3" x 5" prints can be submitted. The photography will be judged in these categories: Nature, People, National Parks Centennial, and Abstract pictures. The park reserves the right to use the winning photographs in its promotional literature and publications.

If you are interested in entering this contest, here

are a few things to keep in mind; your name, phone number and the category must be clearly written on the reverse side of your photograph, each entry must be accompanied by a completed entry form; and if you wish your photograph returned to you, you must enclose a stamped, self-addressed envelope. The entry forms can be mailed to you on request, or can be picked up at the park office, Kiosk or Visitor Centre. Pukaskwa National park cannot accept responsibility for photographs lost or damaged.

Provincial Parks

Rainbow Falls Provincial Park, including Rossport Provincial Campground, will open on May 17, 1985. All services/facilities are expected to be available at this time and full camping/day-use fees will apply.

The operation of Rainbow Falls Provincial Park has been contracted to Mr. Richard Brearley of Terrace Bay. The park visitor will find very few changes

in the park operation as The Provincial Parks Act, the park security/enforcement program, and the Provincial Park user fees all remain in effect, similar to other Ontario Provincial Parks.

Neys Provincial Park will open on May 24th with reduced services until June 6th. As of June 7th, Neys will offer full services at full rates until Labour Day.
