

Recreation News

Schreiber

Minor Ball: This year the Recreation Departments of Schreiber and Terrace Bay are trying to organize a longer and more comprehensive Minor Ball program.

The two leagues will be organized into the same age groups and we will try to offer an interlocking schedule. The following is a list of the age classifications: T-Ball - Mixed - 5-7 years; Junior Nationals - Boys - 8-12 years; Senior Nationals - Boys - 13-16 - Fastball; Junior Canadians - Girls - 8-12; Senior Canadians - Girls - 8-12; Senior Expos - Boys - 13-16 - Baseball. Registrations were handed out at the schools. If your child did not bring one home they can be obtained from the office. Registration deadline is Friday, May 31st. Play will commence on June 10th. Coaches and umpires are urgently needed in order for the children to have a successful summer ball program. If you are interested in helping out please contact the Recreation Office at 824-2317.

North Shore Recreation Directors Fun Run/Walk: If you have been reading the Recreation News in the local paper, you will no doubt be

aware that this year's Walk has been scheduled for Monday, May 27th. A number of challenges have been made by Terrace Bay groups to Schreiber organizations. It is up to the people of Schreiber to answer these challenges and prove to the other North Shore communities that Schreiber truly is a town with a spirit that can be matched by none. In a recent article in the local paper it was stated that Terrace Bay would have to buy up Schreiber's leftover participation buttons! It is up to all Schreiber residents to ensure that there will not be any buttons left over for Terrace Bay.

The walk will start at the High School Ball Park at 7 p.m. sharp. Registrations will be held there from 6:30 to 7:00 p.m. All we ask is that you come and walk the 1 mile course and bring your family. Let's prove to Terrace Bay that they can't count us out.

Fun Walk Challenges: Some local organizations have issued challenges. If your group wishes to challenge another call the Recreation Office at 824-2317 and we will publish it in the paper and have it placed on this community events station.

Some of the challenges so far:

Stray Cats have challenged all other Mixed Slowpitch Teams. Beaver and Cubs have challenged the Brownies and Guides. The Recreation Director from Terrace Bay has issued a personal challenge to the Schreiber Recreation Director and his family. Lake Superior High School have challenged Marathon and Manitowadge High School.

Come on people Let's have some other challenges!

The banner for the town on the North Shore with the greatest percentage of it's population participating would sure look good flying on our main street during our Centennial Celebrations.

Have fun walk or run

Terrace Bay Fun Run 1985:

Have you challenged anyone to walk, run, skip the one mile course on May 27th. The North Shore Director's Fun Run challenge is slated for May 27th from 7 to 9 p.m. Terrace Bay is out to double their participation. We need your help in order to do this. 1000 people is our goal! Why not challenge another group to walk and see how many you can get interested in this fun event. Mothers can get Dads out to walk. Teams challenge each other to run and keep in shape. Don't forget there are prizes for youngest, oldest, groups or class with largest participation. Awards to be given are as follows:

School Award: class with most participants. **School Award:** school with most participants. **Largest Family.** Youngest participant. **Oldest participant.** **Largest organization, Club, Team Award.** The Township of Terrace Bay Personnel and the Recreation Department staff are issuing a

challenge to the Ministry of Natural Resources. See separate ad elsewhere in this newspaper.

Rally to Squash: What is Rally to Squash? Rally to Squash is a one day action packed event. It is a day on which we will open our Squash courts to members free of charge. Invite a friend or

newcomer to come out for a game. We would like to see the court completely booked for May 29th from 9:45 a.m. to 9:00 p.m. every 45 minutes.

Minor Ball Registration: Registration will continue until May 31st for this year's Minor Ball Program.

upkeep of equipment. McMahon found that it took a long period of time for her to learn all areas of the job, but now she is quite confident of her duties. At the end of her OCAP training McMahon is going to be hired on at the Operations Base.

Youth Venture Capital and Student Venture Capital form Ontario Youth Enterprise, and initiative under Ontario Youth Opportunities. For young entrepreneurs who wish to plan and operate their own businesses, Youth Enterprise offers interest-free loans of up to \$5,000.

"The Pampered Pet", a grooming salon located in Thunder Bay, was started with a Youth Venture Capital loan. Sandra Hay, owner and operator, received a \$5,000 one year interest-free loan. With this money she was able to complete the interior construction of the shop, and purchase some much needed equipment. According to Hay, the \$5,000 loan really helped get her

business off the ground.

Ontario Youth Opportunities is helping many young people in Northwestern Ontario gain experience and training in a variety of fields. Information about the programs can be obtained from contacting the Youth Hotline 1-800-263-7777. This toll-free telephone number has been set up to provide a single access point for information on Ontario Youth Opportunities.
