

# Bits and Bites

by Helene Ballard

Hi everyone. Time again for a few words.

You know folks I still have not written any prize winning books, but then after all at my age I have to be careful not to strain my brain or over-work myself, but I enjoy what I do any way and right now would be a good place and time to Thank you people who take the time to phone me or talk to me on the street and who tell me how much they enjoy my efforts. This means a lot to me so "Thank-You" very much for your calls and comments. Speaking of calls, I received one from a gentleman who wanted to know who put the Bit to get the services of a local optometrist, so a person could have their eyes tested here, instead of having to travel to Thunder Bay. The return bus fare plus meals all adds up, besides sometimes even having to stay overnight, which means hotel fares and getting from the bus station to the stores. To quote this gentleman, "They have a vet come to take care of the dogs and cats in town, why not take better care of our needs as well." So if there are any ideas out there, to solve this problem, lets hear it.

Last Wednesday, Officer Fenton, of the Terrace Bay Police came to Birchwood to show us a film on Drugs. Although I don't think there is much danger of any of the Residents getting into drugs, it was quite an eye opener to see what drugs can do to the human mind. We would like to thank Officer Fenton for his time in paying us a visit.

A few of the Residents at Birchwood took part in the Fun Run Walk last Monday, namely Stewart Anderson, Tom Nicklison, Esther Luoma, Felix Legault, Blanche Speck and Yours Truly, Helene Ballard. Our very able housekeeper Mina Mahaney came along with us. Mr. Legault had the

honor of being the oldest walker, he is 80 years and still a good walker.

It is with regret that the Residents say "Ar. Revoir" to one of our very capable nurses, Mary O'Neil, she is retiring after many years in the field of nursing. I am sure I speak for all of us when I say "So long Mary and all our best wishes go with you, as well as our heart felt thanks for all your T.L.C., we will

always have a soft spot in our hearts for you. Good Luck and God Bless."

This week my bite is about our youngsters and their "bikes". Last Monday when we had to go into the office at the Recreation Center to register, we had to step over and around bikes to get into and out of the building. The children just drop their bikes on the sidewalk and leave them there. Now come on kids, please try to be more thoughtful of others, park your bikes someplace else besides the entrance to public buildings. Also on this same subject, there are still kids who take a short cut through the driveway of the Home. With the nicer weather more of our Seniors are out walking and there is always the danger of running into

them and knocking them down and the results of this could be broken bones, so please, I ask you, ride your bikes carefully and Parents how about a few stern words to your off-spring, if they are old enough to ride a bike they should obey the rules. Thank-You.

Until next week remember - three ways to spread news are, telephone, telegraph, and telewomen.

### THANK YOU

The Gerald Thrower family wish to thank all the friends and relatives who helped during the recent loss of a very dear Mother, Grandmother, and a most dear Mother-in-law. To the Eastern Star for their service, the sympathy cards, memorial cards, flowers, and lunches. To the Rev. Sharyl Marriot-Lowery for her kind assuring words and UCW for the lovely lunch after the service. The bearers and honorary bearers and King's Funeral Home. Also special thanks to the friends and neighbours who spent so much time with Mom during her last few years, and the nurses and doctors who were so wonderful to Nettie. She loved you all very much and we thank you all very much.  
Jerry, Eve, Michael, Karen, Craig and Carrie

## Guiding is Fun

Brownies are cheerful, Brownies are kind, Brownies do special things at the right time Brownies do good deeds at special times Games and songs, art and mimes Collecting pennies, saving dimes Pixies, Sprites, Kelpies and

Elves Thinking of others before ourselves We're little people but we care Helping people everywhere When we leave our meetings we are sad But when we meet again we will be glad.
