

A great day for Birchwood Terrace

Helen Ballard

On Thursday June 20th, the Residents of Birchwood Terrace were happy to receive the Ladies Auxiliary to the Royal Canadian Legion No. 223 at which time, Mrs. Addie Beaulieu, President, presented a cheque for \$1,000 to Mrs. Mary-Anne Sigurdson, assistant administrator of Birchwood, to be used for the Senior

Citizen's Bus Fund. I understand it will be for the painting of the Bus in the same color tones of our home, also for tinted windows as well as a cassette player.

Blanche Speck, president of the residents Council, thanked the auxiliary for this wonderful gift which will benefit future residents as well as those of us who reside here now.

Mary-Anne Sigurdson responded by saying "words cannot express our thanks for this wonderful gift."

Those taking part in this event were Blanche Speck, Joan LeBlanc, our activities director, and Ollie Chapman, Town Councillor.

Our grateful thanks to the Legion Auxiliary and May God Bless you in your work.

Let's Get Active

Mr. Tom Nicholson is only one of Terrace Bay's active senior citizens. On June 19, 1985 Mr. Nicholson was awarded his second award for the "Let's Get Active" program.

The program that Mr. Nicholson is entered in is divided into three levels: a certificate is awarded for walking 100 miles, a medium sized plaque is awarded for walking 700

miles, and a large plaque is awarded for walking 3,000.

We at the "News" would like to congratulate Mr. Nicholson and to tell him to keep up the good walking. We hope that you keep walking and make it to the third level of the participation program.

Again, congratulations to a most active senior citizen.

Walk Blind

Helen Ballard

Thursday, June 20, we welcomed a very dedicated lady to Terrace Bay. Hildegard Buschhaus with husband Gunter accompanying, is walking from the West coast of Vancouver Island to Buena Vista, Newfoundland, to raise funds for the blind. She is being sponsored by the Lions Club.

This lady is doing much. To her, everyone who is blind regardless of race, color, or religion, and in need of help, should receive it.

After having dinner at Birchwood Terrace, she met each of the residents and gave a brief talk on her work. She told us she used to run as a child, she loves the outdoors, and spent a lot of her time playing and helping tend the family farm. She is a strong healthy woman and after her family of three children were all grown, she decided to take up her childhood love of walking. It was while on one of these daily walks, she decided to put all this energy to some good use. She said she loves this great country and with her desire to help the blind, what better way to raise money than walk across Canada. She says she walks up the hills and runs down and is enjoying every minute of it.

She spent some time in Terrace Bay talking to people and accepting donations for the Blind. After spending two hours with the residents at Birchwood, Hildegard and Gunter left to proceed on the walk.

She will be in Marathon on Saturday morning and we wish her well on her way.

The CNIB is operated from your charitable donations and these may be made at any office of the CNIB across Canada.
