Schreiber Library

The Schreiber Public Library located for the past 20 years in the former town hall, is undergoing many changes. Anyone who hasn't visited the library in the past few months, may be shocked at what is taking place. Shelves have been rearranged in order to allow more sunshine in from the large windows in the west wall, and books have been rearranged.

A children's corner with low shelving for easy accessibility is a very popular area, complete with a large toy box for games and toys. Donations for this box would be much appreciated.

Another very popular spot is the area set up with two computers on loan from the Lake Superior High School. Now that students are out of school, there are line-ups forming

even before the Library opens at 2 p.m.

The Library Board has been successful in receiving an Experience '85 Grant which enables us to hire two students for six weeks. Under the capable supervision of Miss Aileen Ross, the students will be cataloguing and bringing our files up to date. As well, the students will be doing a survey of the town to ascertain what role the people of Schreiber feel their library should be playing in our community.

It is hoped that we will be presenting many more touring programs during the coming year - having had very positive response to the April and Susan show. Sheehan an author on children books, as well as the Tim Gosley Puppet Show. And of course, our

popular Story Hour will resume in September.

Members of the Library Board are looking ahead to updating our book collection in the very near future and hope that our patrons will bear with the apparent chaos that occurs when changes are taking place. If you have any suggestions please don't hesitate to let us know.

We are pleased to welcome three new Board members; Pat Davies, Helen Stokes, and Donna Mikeluk. Please feel free to contact any member of the board with your suggestions for improvements.

During Centennial week July 15-22, a large display of historical photographs and artifacts will be on display in the Library - do drop in and browse around.

Schreiber Campus

Northern Affairs Minister Leo Bernier has announced a grant of \$25,981.00 under the EDUCAP program to the Lake Superior Board of Education for use of the Schreiber Campus of Lake Superior High School.

Today's announcement is part of the \$1.4 million in funds granted this year to 29 small secondary schools located in remote areas across Northern Ontario. This brings the Ministry of Northern Affairs' commitment to \$2.7 million over the past two years.

The grant program was established in response to

the Allan Commission Report which noted that the gap between small northern secondary schools and their southern counterparts had widened in recent years. The grant program is intended to close this gap and add to the economic and cultural vitality of northern communities.

The grant to Lake Superior High School will significantly improve the ability of the school's Schreiber Campus to offer a music program. Numerous instruments will be acquired including a new piano, flutes, clarinets, saxophones, trumpets, trombones,

Bits and Bites

by Helene Ballard

Hello everyone! So much has happened since my last visit to your homes. I know each and everyone will remember those poor people who lost their lives in that terrible plane crash as well as the incident in Tokyo, I hope and pray all this terror will end soon. Just now we are all anxious to see the end of another cruel act, "The Hostages" and hope their freedom will be all settled and they are back with their families soon. At least we had one story with a very happy ending and that was finding those three little girls who were lost on Mortimer Island. It was a tense week-end and many thanks to all who helped in any way. I understand a special thanks to the pilot of Kimberly Clark's helicopter who, as some said "landed in places angels would not dare" so to you David Cruickshank we say "Thank You" and everyone who helped in this rescue.

We had a very enjoyable afternoon at Birchwood June 25th at our Strawberry Tea. We enjoyed our chats with our many friends also our friends from Schreiber and Rossport. It was so nice to see all of you. Our lovely quilt was won by Judy Bedard of Schreiber, Congratulations, hope it keeps you nice and warm. On behalf of the residents I would like to thank the Ladies Auxiliary to Birchwood. These ladies worked very hard on our behalf and so I think are very deserving of our heart filled thanks.

We had a nice impromptu evening on Wednesday when we had another chance to exercise our vocal cords again. Maybe sometimes it might sound like a "long tailed cat in a room full of rockers" but we have fun.

This evening we had Mrs. Al Chisholm, Mrs. Peggy Thompson, Pam Jones and Mr. Scott Chalmers. We want to thank you for coming and to say "Please do it again" By the time you get this paper Senior Citizen

Month will be all over for another year. Hope to see you all again for next year's celebration in the meantime "thanks you all and God bless" until next time "as you go through life May it be like a snow flake, leave a mark but not a stain."
